2. The regular estimate as revised by the Board of Revenue does not call for remark except that the slight reduction in the Land Cess estimate is not satisfactorily accounted for, as the small sum of Rs. 2,000 to make up the budget estimate amount may be easily collected. It is expected that 18.2 per cent. of the year's demand would be left uncollected at the close of the year.

3. For 1882-83 the Land Cess is estimated at Rs. 1,37,000; and the President's explanation shows that the uncollected balance of cess at the close of the year is expected to be Rs. 23,000, or 14.3 per cent. of the demand. The estimate seems to be too low. It may safely be raised at least to Rs. 1,40,000, the amount entered in the current year's budget. The market rents have been erroneously transferred by the Board of Revenue from "Endowments" to "Miscellaneous." The Provincial grant to the Middle-class School at Lalgudi is passed pending report from the Director of Public Instruction.

4. The provision for Public Works again includes allotments for unsanctioned works. The rule that no expenditure should be incurred on works before estimates for them are duly sanctioned should be rigidly enforced. The President is responsible for the observance of this rule. The amount reserved for famine adjustments in the current year—Rs. 10,000—not having been paid, it is proposed to make the same reservation in the next year's budget. It will be allowed pending early report on the general subject of famine adjustment by the Board of Revenue.

5. The educational provision has not yet been reported on by the Director of Public Instruction. The Board's remarks in paragraphs 7 and 8 are approved.

6. Subject to the foregoing remarks, the budget is passed as revised by the Board of Revenue.

(True Extract.)

(Signed) R. DAVIDSON,
Chief Secretary.

THE Local Fund budget of the Trichinopoly Circle for 1882-83 is herewith circulated to all officers concerned.

2. Paragraph 3 of the Government Order.—As desired by Government the Land Cess estimate is raised to Rs. 1,40,000. With reference to markets, the Board beg to observe that in the budget form prescribed by Government *market rents* are shown separately under "7, Miscellaneous;" they will in future be shown under "6, Endowments," &c.

3. The President's attention is drawn to paragraph 4, and he is requested to submit the estimates referred to as soon as possible.
