

GOVERNMENT OF MADRAS.

Public Works Department,
Chennai,

188

30 March

My dear Mr. Hudleston

The amended files as
checking into promotion should
no doubt go first to H.E. the Governor
but on the whole matter is now
rather intricate and he may wish
consult you before deciding it has
occurred to me that it would pro-
-bably be most convenient (while
waiting for file 12 to the Secretary)
to send it direct to you so as
to allow of your going over it

with him in Council on Saturday

It was as you will be fortunate
that the telegram was sent to the
S. & P. as regards the intentions of
the three Officers to retire

Believe me

Yours
C. W. Sawyer
