From H. B. GRIGG, Esq., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 15th March 1882, No. 1445.

I HAVE the honor, in submitting an estimate from the Consulting Architect to Government for repairs to the Senate House, to request that sanction may be accorded for the same being carried out in 1882-83 as the official year is about to close.

2. The total amount required is Rs. 1,420 as shown below :—

Estimate	Rs. 1,211
Public Works Establishment and Tools and Plant	309
	1,520
Deduct value of scaffolding to be made over to the Post and Telegraph Office	100
Total	1,420

This may be met from the provision of Rs. 4,000 for the Rajahmundry School in the budget estimate of the Educational Building Fund for 1882-83.

3. As the University has become self-supporting I think all such charges should in future be met from the University Fee Fund.

APPROVED ; and transferred to the Public Works Department for disposal.

Under Secretary.
