PUBLIC WORKS DEPARTMENT.

No. 46.

READ—the following G.O., dated 3rd May 1882, Judicial.

Read—the following letter from G. HAMNETT, Esq., Inspector-General of Registration, to the Officiating Chief Secretary to Government, dated Ootacamund, 26th April 1882, T. No. 935 :—

I have the honor to enclose extracts from my Notes* of Inspection on the Sub-Registry Offices at Narsapur and Sivacodu, in the Godavari District, and to request that the sanction of the Government may be obtained for the construction of new offices at these places on the standard design.

2. The buildings in which the offices are held at present belong to the Revenue Department, which may, at any moment, require them for its own use, and desire the Registration Department to move elsewhere.

ENCLOSURES.

Extract from the Notes of Inspection on the Sub-Registry Office at Narsapur by the Inspector-General on the 7th February 1882.

"In a room measuring 10 feet by 10 feet, attached to the Taluk Outcherry, the Sub-Registrar holds his office. The parties have to stand in the verandah. There is hardly room enough for the furniture and the Sub-Registrar and his clerk and peon. A new office building is wanted here also."

Extract from the Notes of Inspection on the Sub-Registry Office at Sivacodu by the Inspector-General on the 8th February 1882.

"The office is held in a room belonging to the Revenue Department. It measures 20 feet by 19 feet. Some money was lately spent in putting in windows and repairing the place; still it is not a suitable room for a Registration Office, the accommodation being insufficient for parties."

Order—dated 3rd May 1882, Judicial.

Approved and transferred to the Public Works Department.
