Proceedings of the Madras Government, Public Department,
13th November 1874.

Read the following papers:—

No. 25. No. 837.

MEMORANDUM.

The undersigned presents his compliments to the Chief Secretary to Government and begs to inform him, in reply to memorandum, No. 301, dated 27th instant, that there is no objection whatever to the employment of the Superintendent of the Government Workshops in the manner proposed.

OOTACAMUND, (Signed) G. W. WALKER, Colonel, R.E.,
27th October 1874. Secy. to Govt., P.W.D.
To the Chief Secretary to Government.

No. 26. From Lieutenant-Colonel N. G. CAMPBELL, R.A., Officiating Inspector-General of Ordnance and Magazines, to Colonel A. C. SILVER, Secretary to Government, Military Department, dated Fort St. George, 3rd November 1874, No. 254-G.

Establishment Department.

With reference to memorandum* from the Acting Chief Secretary to Government, referred to me on the 28th October 1874, I have the honor to state, for the

information of Government, that the duties of the Commissary of Ordnance at Madras are very arduous and require his personal attendance at the Grand Arsenal.

2. I therefore consider it most inadvisable, in the interests of the public service, to nominate him, unless absolutely necessary, to attend Committees that call him away from his own peculiar duties, which, consequent on late reforms and increasing responsibilities, are almost already too much for his efficient supervision.

3. It was for this reason that Government resolved lately to relieve him from the charge of the Stationery Department.

Transferred to the Public Department.

OOTACAMUND, (Signed) A. C. SILVER, Colonel,
6th November 1874. Secy. to Govt., Mily. Dept.

No. 27. ORDER THEREON, 13th November 1874, No. 1214.

The Governor in Council observes that under existing arrangements there is absolutely no check over stores and materials purchased for the use of the Government Press, or over stores and materials rejected as useless for the Press and sold.

2. His Excellency in Council resolves, therefore, to appoint the Superintendent of Stationery and the Superintendent of the Government Public Works Workshop at Madras to form themselves into a Committee to check the prices and to pass all stores, type, &c., purchased from time to time for the use of the Government Press; also to pass all rejected stores, &c., which may be proposed to be sold.
