I have the honor to forward
herewith Estimates, as per margin,

Reconstructing the Gate Pillars in the Central Sails Trichinopoly Rs 630.	for con- structing gates and Gate Pillars
Constructing gates in the Central Sails Trichinopoly Rs 924 -

Trichinopoly -

2. The Estimate of Rs 924 for
Constructing Gates in the Central
Sails is a revised one prepared in
lieu of the one sanctioned for Rs 1030
in L.O. No 421 of 7 February 1877. The
necessity for the revision is explained
in the Comparative Statement ac-
companying the Estimate.

3. As regards reconstructing the Gate Pillars, there is an Estimate of Rs 6150 sanctioned for Radial walls, against which there has been no expenditure, and it is proposed to charge the new pillars (which are substantial ones required to carry the heavy wooden gates provided in the other Estimate) to that Estimate.

No 421 of 9th
February 1907

4. I have therefore the honor to request you will be good enough to have the necessary allotments placed at the disposal of this Department. A sum of Rs 660 was spent on the gates in last official year, and the balance of Rs 264 is now required for completing them, and Rs 630 for constructing gate pillars; so that a total allotment of Rs 894 is now wanted for these works.

5. As you informed me at your last inspection that the work

12/8
was emergently necessary, I have authorized the Executive Engineer to proceed with it in anticipation of the sanction of an allotment.
