Of these 14 Offices, 1 Sub D^y Office
2 Overseers Offices, 6 Toll Offices &
one Lock Office are situated along
the coast and they feel much
difficulty if their Salaries are
not paid early.

The Executive Engineer hitherto
allowed the Salaries to be drawn
before the audit of the Salary
Bill of the Division, the
conditions mentioned in
para 17~~22~~ being ^{daily} observed and
fulfilled, but the Examiner
of P^W Accounts on his present
Inspection of the accounts of
this Division has objected to this
course adopted, and advised
me to obtain the sanction of
Government exempting this
Division from the ruling of

1730
para 17~~22~~ of the Code if incon-
venience is felt by the members
from withholding the disbursement
of the Salaries until the receipt
of the Salary Bill duly audited
from the Examiner of P^W Accounts,
which is generally received
not earlier than 10th of each
month.

This Division is exceptionally
situated, that is to say, while
having its head quarters
at Madras its range extends
into the Vellore and Chingleput
Districts 196 miles, on one
side and 72 miles on the
other so that the exemption
solicited governed by the
conditions and restrictions
