PROCEEDINGS OF THE BOARD OF REVENUE, dated 6th April 1882.
Read the following Proceedings of the Madras Government, Financial Department,
dated 8th March 1882, No. 280:—

ABSTRACT.—Passing orders on Proceedings, Board of Revenue, reviewing the
Local Fund Budget Estimate of the Madura Circle for 1882-83.

Read also the following letter from the President, Local Fund Boards, Madura, to the
Secretary to the Board of Revenue, dated 14th March 1882, No. 30:—

WITH reference to the Board's Proceedings, No. 3053, dated 5th December 1881,
I have the honor to report as follows:—

2. The garden in the compound of the Dispensary at Sivaganga has been leased
out for a sum of Rs. 7 per annum for ten years, and this sum has been omitted through
oversight from the Regular Estimate of the current year and the Budget of the next
year.

3. The Statement, No. IV-B, called for in paragraph 9, is herewith sent. The
increase proposed by the Zillah Surgeon to the salary of the Hospital Assistant at
Ramnad is the same as that sanctioned by Government generally to all Civil Hospital
Assistants, but by mistake the whole of the said increase of Rs. 5 has been charged to
Local Funds instead of only three-fourths of it.

4. The market rents referred to are the collections from "Bandy pettahs" in
this circle as distinguished from "Market sites." The right of collections in these
"Bandy pettahs" is annually leased out. They are kept in good repair by the con-
tractors; and whenever extensive repairs are needed, the Local Fund Board allot funds
from the Reserve or Balances. There is therefore no necessity for a separate provision
in the budget for their improvement.

5. As regards the Land Cess Demand, I beg to state that the demand has been
fluctuating during past three faslies* since the Famine and has not risen above

	RS.	
* Fasli 1287...	85,187	Rs. 1,25,295, and considering the state of
" 1288...	1,24,910	the season and want of timely rains, the
" 1289...	1,21,006	safest average figure has been adopted.
" 1290...	1,25,296	I therefore beg that the estimate may be

taken in the budget as it is; but if the actuals of the next official year show increased
collections, supplemental estimates will be submitted for utilizing the funds thereby
accruing.

THE Local Fund Budget of the Madura Circle, for 1882-83, is herewith circu-
lated to all officers concerned.

2. Paragraph 5 of the Government Order. From paragraph 5 of the President's
letter read above, it would appear that the Land Cess Demand has been fixed at too
high a figure in the current year's budget and the President expects that, owing to
the absence of timely rains in this year, the next year's demand will be less than
that in Fasli 1290. The amount reserved for Famine adjustment has, as directed by
Government, been reduced to Rs. 10,000, and the provision for "Repairs—Communi-
cations" raised to Rs. 96,840.

3. Credit is taken in the Budget of 1882-83 for the sum of Rs. 7 referred to in
paragraph 2 of the President's letter, and Statement IV-B now furnished is embodied
in it.
