For further remarks.

The order quoted in your disallowance list merely lays down instructions for the guidance of Heads of Offices, & does not apparently require that acting appointments of the nature referred to should be submitted to Govt for confirmation. The Officer making the action, abt. evidently has also the power to confirm it retrospectively -

To W. Secy to Govt of Madras

The promotion is nearly three years retrospective and in the absence of special orders of Government the audit of the claims was deferred as cases of this sort might disarrange the year's Budget.

2. The promotions are two years retrospective & in the absence of any special orders of Govt. the audit of the claims were deferred, as cases of this sort might disarrange the Budget.
