PUBLIC WORKS DEPARTMENT.

15th September 1881, No. 2,275 W.

General.
Establishment.

Read the following paper :—

No. 111. Circular by the Chief Engineer, Public Works Department, dated 30th August 1881, No. 2,010.

No. 111-A. ORDER THEREON, 15th September 1881, No. 2,275 W.

IN this Circular the necessity for passing the examinations prescribed for promotion to First Grade Assistant Engineer was pointed out in view to the vacancies which the revised scale of establishment will create if finally approved. The Government have now been pleased to allow three months' grace from date of sanction of the revised scale within which unpassed men may qualify. At the expiration of this period promotions will be made to vacancies in the order in which the required examinations are passed.

2. Those who have already passed the requisite examinations will, however, receive their promotion immediately on sanction to the revised scale being received, and will thenceforward take precedence in the First Grade of all men of the same year who have not so qualified.

3. Among those who will receive immediate promotion is N. Ruthnasabapathy Pillay, who will be placed at the bottom of the First Grade during the three months of grace, at the expiration of which he will take rank above all those not then qualified for promotion.

Sir,

Referring to your docket No. 1611 dated
the 27th September 1881 I have the honor to inform
you that Mr. Assistant Engineer W. Jopp writes
to say that he wishes to be examined in both
of the examinations required by paras 153 to
157 of the Madras P. W. Code.

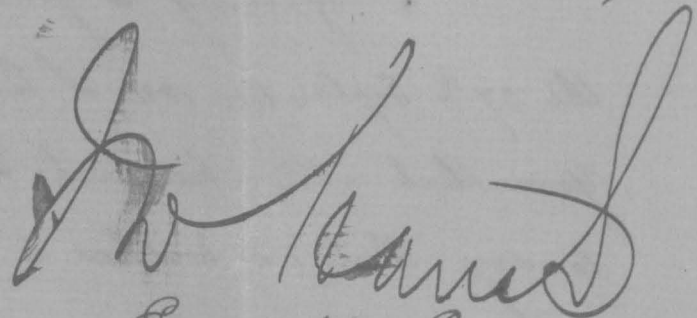

2. Mr. Jopp is fairly physically and
practically equal to his work; he has a turn
for Photography and having been officially
engaged thereon he has had less time to devote
to the management of his large Range of
various and important works and the
management of his subordinates; otherwise
I have no doubt he would have done better
besides he has been awfully short handed nearly
all his subordinates being for long periods
sick from time to time since he took charge
of

of the Berhampoor Sub Division: I recommend
that he may be permitted to go up for
the examination.

I have the honor to be

Sir

Your most obedient servant,

Sir.

We have the honor to inform you
that we have this day examined
Assistant Engineer Mr. Jopp, in accor-
dance with the rules given in Paras
154 & 155 of the P.W. Code, and consider
that Mr. Jopp acquitted himself
creditably and is qualified for promotion.

We also examined Mr. Jopp in
Telugu as required in the same section
of the Code and enclose copy of the
sentences he was required to translate.
Mr. Jopp translated the sentences with
sufficient accuracy, and conversed with
the Local Supt. (formerly a Deputy in the
Department) in our presence, and
was able to make himself understood.
