Sir,

Enclosure
1 application
for leave.

I have the honor to forward
an application for 3 months Privilege
leave from Mr Executive Engineer
Bell, this officer reports to me
that he is in bad health and that
the leave is absolutely necessary I
have called on him to forward a
medical certificate and this will
follow when received.

2 I believe you have no officer
available to send to the Circle to
take charge of this Division. Owing
to

to the absence of 2 Assistant Engrs from the Circle on leave and the transfer of Major Fraser from the West Coast Division (rendering it not advisable to make any further change in that Division) I am unable to place an Assistant Engineer in charge of Salem.

3. I have already given orders for the relief at the end of the month of Mr. Sub Engineer Lafrenais Coimbatore Division and I intended sending him to North Arcot Division (which is now 2 Assistant Engineers under strength) I must now send this Deputy Subordinate (who is a very good steady man) to take charge of Salem Division I regret having to do this as Mr. Morris in North Arcot requires assistance

but

but I have no other course to propose.

I have the honor to be
Sir
