honors notice and benovolent consideration,
trusting that your honor will have the com-
passion towards the helpless petitioner

2 I was appointed as a Superin-
tendant of Kambakal Channel Palar ancient
System on 1st May 1862 by Mr. Maitland
then Sub Engineer in charge of Ponnammallee
Range

2
Range & Singlepost District and discharged
my work to the entire satisfaction of the officers
named in the margin without any complaint
up to 15th November 1879. While such is the
case I beg to say that I received an order
N^o 446 of 27th October 1879 & 1420 of 29th Oct/79
from Major Clark R.E. D^o Officer &
Mr. Donaghy the sub D^o Officer to resign
the appointment. as per copy here in enclosed (A)
I handed over charge of my work to one
Overser Vathagery Mordally. I was under
the impression that I will receive Bonus
as gratuity according to the length of service
17 years, according to the late reorganization
order as similar indulgency was allowed to
the clerks, throw out of employment but
to my misfortune. I was very cruelly dealt
with, without any particular cause of my
having been throw out of employment
and deprived

and deprived even of the benefit of a pension to which I am entitled after his faithful service of 17 years under Govt.

3. I addressed a memorial to the Chief Engineer on the 3^d June & 9th September 1880 on this subject but that Officer declined to interfere on the matter as per copy here in enclosed (B)

4. Under these circumstances I humbly beg to submit this for your honors favorable Consideration and solicit that your honor will be pleased to issue order for the sanction of my pension

For which act of charity and benevolence I shall feel extremely thankful & as in duty bound ever pray for your honors long life and prosperity

With due deference and humble
Submission (J Venkatachellam Pillai) Late
Superintendent of Kambakal Channel
Palar Ancient System Chingleput Division
begs to bring the following few lines to
His Excellency's valuable notice, trusting that
they will meet with His Excellency's sympathizing
spirit may be moved with compassion towards
the poor and helpless creature

His Excellency's poor petitioner
was temporarily employed in the Public Works

in the said department and was appointed as

Since that time, the petitioner has very punctually discharged his duties to the entire satisfaction to all his Superiors but on the 29th October 1879 he was compelled to resign without any reason or whatever on the part of His excellency's poor helpless Creature

At last His excellency's poor petitioner through Continued Compulsion was obliged to resign without obtaining any bonus, gratuity or pension for his long and Continued faithful services of 17 years in the said department, although a pension list has been prepared and submitted to the Chief Engineer by the Executive Engineer

After all His excellency's poor petitioner has received an endorsement on his petition that His excellency's poor petitioner is incompetent and unreliable to this fact, he is utterly innocent and unaware, who has found out that he is incompetent and unreliable. If it were not have been recommended by the Chief Engineer for his pension by the Executive Engineer of Saint Thomas Mount

27-10-80. 28-10-80
H. S. Chel. 1881

and His excellency's poor petitioner deems that he has designedly compelled to resign without any ground or whatever

IV

Is it proper to His excellency's Government to leave a served helpless creature for long time in the said department and send him out from door to door without feeding him either by pension or gratuity &c. as others have had after the deduction made in the said department and His excellency's poor petitioner has had a favorable Pay Certificate from the Ex. Engrs

Under these circumstances His excellency's poor petitioner prays that his Case will be taken into Consideration and an enquiry may be made in the presence of the petitioner and grant him either bonus, or gratuity or pension for his long and faithful service of 26 years &c. including his temporary appointments in the Public Works department for which act of benevolence the humble petitioner will be ever grateful with his large family, which is

ABSTRACT.

Referring to the endowment on his former petition to Govt, represents that after a long & faithful service of 26 years in the Public Works Department, he was forced to resign his appointment without any fault on his part, and that neither gratuity nor pension has been granted to him notwithstanding an application for the same was submitted by the Executive Engineer of St Thomas Mount to the Chief Engr.

Prays that on a due consideration of his hard case, he may be granted either a pension, gratuity or bonus.
