No. 3.

READ—the following letter from Lieutenant-Colonel J. EWING, Officiating Quarter-master-General, to the Secretary to Government, Public Works Department (through the Military Department), dated Ootacamund, 20th May 1882, No. 265, and endorsement by Colonel E. L. HANKIN, Acting Secretary to Government, Military Department, dated 22nd May 1882:—

Having submitted to the Commander-in-Chief Proceedings of Madras Government, No. 910 W., dated 12th April 1882, I have the honor, by order, to state that His Excellency considers an iron railing to enclose the Roman Catholic Chapel at Bellary unnecessary. Doors should certainly be provided to the chapel itself, but with so small an allotment as is now at the disposal of Government, His Excellency thinks the cost of the railing could be more appropriately expended.

Endorsement, No. 2440.
