READ—the following G.O., dated 24th April 1882, Mis. No. 1303, Revenue.

Read—the following letter from J. GROSE, Esq., Collector of Nellore, to the Secretary to Government, Revenue Department, dated 24th February 1882, No. 772 :—

On the site purchased for the new Tahsildar's Cutcherry at Udayagiri and east of it there is a substantial house, which it appears from Mr. Dykes' letter recorded with G.O., dated 22nd February 1869, No. 280, was then valued at Rs. 470.

2. The building is of great use both for European Officers visiting the taluk and as a place for the Local Fund Overseer to lodge and keep his tools. It is now in an unsafe condition.

3. Mr. Dumphy, the Local Fund Engineer, who inspected the building at my request, states that it is so much out of order that it must be taken down and rebuilt. He roughly estimates the cost of this at Rs. 950, supposing that the materials of the existing building are used.

4. I have no doubt the Local Fund Board will be prepared to reconstruct the building if it is handed over to them by Government, and I have the honor to request that this may be done.

Reference on the above, dated 13th March 1882, Mis. No. 837.

Referred to the Board of Revenue for remarks.
