From Brigadier-General H. O'CONNELL, Quartermaster-General, to Colonel J. MICHAEL, C.S.I., Secretary to Government, Military Department, dated Head Quarters, Ootacamund, 11th July 1877, No. 342-4891 (Barracks and Buildings).

I have the honor, by order, to request the orders of Government, as to whether bills for watching vacant Military buildings are to be passed as items of Military or Public Works Accounts.

2. Bills on this account for watching vacant barracks at St. Thomas' Mount and Pallávaram, from 1st April to 31st May 1877, and amounting to Rs. 31-0-5, are still unpassed, as the Pay Examiner is of opinion that, under a decision of the Accountant-General, the charge should be defrayed in the Public Works Department. The Executive Engineer at the Mount, on the other hand, states that the buildings in question are not *Rest* barracks, which are ordered to be taken charge of by the Public Works Department.

3. His Excellency the Commander-in-Chief is of opinion that the charge should be adjusted in the Military Department. The buildings in question are not under the charge of the Public Works but under the Barrack Department, and consequently His Excellency considers that the bills should be passed in the Military and not the Public Works Department. The Barrack Department in this Presidency is not under the Public Works, as in Bengal.

4. The early orders of Government on this reference are requested.
