Sir,

In acknowledging the receipt of G.O. No. 263 R, dated 26th. April 1882, I have the honor to point out that there is no rule or order with reference to which the pay of the persons sanctioned therein can be met from savings in the provision for Travelling Allowances, and to request therefore the favor of a reconsideration of the orders in question.

2. From para 119 P.W. Department Code it will be observed that outlay on temporary establishment is to be strictly limited by the provision in the Budget for that specific head and as there is no provision for such establishment in the Railway Budget, the transfer of funds from some other head appears necessary. Probably arrangements can be made by extra persons being sanctioned for the Office of the Secretary to Government P.W. Department, who could also assist in the work of the Railway

Branch

Branch Office, which is, it is believed, located in the
same building.

Office Note.

It has been found necessary every year to engage a temporary peon at about the middle of the year for Railway Secretariat work, in addition to the two brought from Madras.

Last year this was done under G.O. of 16.6.81 N^o. 416 R, to which no exception was taken by C.

This year, both peons who came from Madras were obliged to return there on account of illness, - and two temporary peons were engaged, under G.O. of 26.4.82, N^o 263 R.

It will be seen that this year C has raised objection against the order sanctioning pay of temporary peons from
