READ—the following G.O., dated 3rd June 1882, No. 207, Marine.

Read—the following letter from J. H. TAYLOR, Esq., Lieut., R.N.R., Master Attendant, Administrative Department, Madras, to the Chief Secretary to Government, Marine Department, dated Madras, 29th May 1882, No. 4464:—

I have the honor to inform you that the Accountant-General addressed this Department in view to the charges incurred on account of the *Prince* as per enclosed bills being debited against Port Funds under the Government Order margin-Judicial, No. 2742, dated 24th October 1879. I have also noted, and that I drew his attention to G.O., Public Works Department, No. 587, dated 22nd February 1877, by which the vessel was simply made over to the Marine Department, Cocanada, for sale, her expenses being debited to Provincial. This was apparently overlooked in issuing the other order, and I, therefore, objected to the charge being debited to Port Funds. He is, however, still of opinion that they should be debited to that head under the Government Order quoted by him, unless I obtain a modification of the same in reference to the orders in the Public Works Department alluded to by me. The *Prince* has all along belonged to the

No. 914 W., dated 4th April 1881. Public Works Department, and she has now, in Government Order as per margin, been again ordered in that Department to be sold, the proceeds to be credited to Provincial. I have to solicit that the Government will be pleased to confirm their orders passed in the Public Works Department quoted above directing that the expenses of the *Prince* be met from Provincial. She has never been utilized for Marine purposes, and is now above the anicut at Dowlaishweram after service in the Rumpa disturbance.

Order—dated 3rd June 1882, No. 207, Marine.

Referred to the Public Works Department for consideration.

SIR,

curred on account of the "Prince" as per

This was apparently overlooked in

of opinion that they should be debited
