

GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

12th January 1882, No. 161.

Promotions—Warrant Officers.

Read the following paper :—

No. 117. *From Colonel W. M. LEES, Deputy Secretary to the Government of India, Military Department, to the Secretary to Government, Military Department, Bombay; dated Fort William, 27th December 1881, No. 1817-A.*

Promotions—Warrant Officers.

With advertence to the correspondence received with your endorsement, No. 5723, dated 9th November 1881, I am directed to state that, while permanent promotions should not be made in the vacancies caused by the special promotion of warrant officers in recognition of services in the field, it was not intended that such special promotions should be viewed as filling the places of warrant officers of their respective grades on furlough, &c., for whom acting promotions should be made from the junior grades.

2. As it would appear that the position of warrant officers specially promoted for service in Afghanistan is not clearly understood, I am to take this opportunity to explain—

i.—that their promotion is permanent, but that they are to be supernumerary in their new grades, until the time when they would have been promoted in ordinary course by seniority, when they are to be absorbed.

ii.—that should a supernumerary warrant officer specially promoted for service in the field become senior on the list in virtue of his seniority in his supernumerary rank before being absorbed, he will, on the occasion of a vacancy in the next higher grade, receive promotion thereto simultaneously with the senior effective warrant officer of the grade on the establishment, when he will continue to be borne as supernumerary, and retain seniority for precedence and promotion under the same conditions as before, that is, until the time when he would have attained the rank by seniority had he not been specially promoted.

iii.—that supernumerary warrant officers will be returned in the Army List in *italics*, according to dates of rank.

3. I am further to remark that the Government of India letter published in Bengal Ordnance Circular Order, No. 4 of 1881, and quoted in Bombay G.O.G., No. 540 of 1881, was subsequently modified: *vide* Bengal Ordnance Circular Order, No. 83 of 1881.
