MEMORANDUM.

Letter from the offg. Supg. Eng^r 5th Circle No. 559 of 16th May 1882.

Forwarded to the Chief Engineer
D. P. W.

2. An estimate for the services
of two draughtsmen required
for preparing plans and estimates
in connection with the Lower
Coleroon investigations was sanc-
tioned last year from the provision
for temporary survey establishment
in the Irrigation Budget estimates, but
there is no such provision in the
current years Budget from which
the pay of the draughtsmen can
be met.

3. Under para 118 A of the P. W. Code,

as modified by the S.O No 188 of 1881,
which was introduced from 1st April
1882, it was thought that the pay
of these Draughtsmen could be
charged to "Works" as ^{their pay was originally} sanctioned
from the Budget grant for Tem-
porary Survey Establishment.

H. As however the Examiners of P.W.
accounts object to this course, it is
requested that sanction may be
obtained for their pay being met
from the provision for temporary Es-
tablishment in the Provincial
Budget for the current year.
