13TH JUNE 1882, No. 1474 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

No. 90.

READ—the following letter from D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 25th May 1882, No. 35 W.:—

I have the honor to submit, for information and orders, an extract from the audit note on accounts of the Madras Harbour Works for the month of February 1882.

2. It will be seen therefrom that the Superintendent has purchased boats valued at Rs. 2,009 on his own responsibility at the suggestion of the Engineer-in-Chief.

3. The position of the Superintendent has hitherto been considered as analogous to that of a "Superintendent of Works," and the powers of sanction granted to Superintending Engineers have therefore been extended to him.

4. Under Code paragraph 1281 Superintending Engineers may sanction estimates for new supplies of tools and plant to the extent of Rs. 500 only in each case, and it therefore appears necessary that the sanction of Government to the expenditure in question should be obtained.

No. 90-A.

READ—the following letter from N. ST. B. BEARDMORE, Esq., C.E., Acting Superintendent, Madras Harbour Works, to the Chief Engineer, Public Works Department, dated Madras, 5th June 1882, No. 10 W.:—

In reply to your memorandum, No. 178 E., of 31st May 1882, I have the honor to state that the four boats I purchased, under Mr. Parkes' advice, at Karikal are "lighter boats," commonly called here "cargo boats." They are to be made into a pontoon from which to screw moorings and lift wreckage, &c., and to that extent will take the place of the foundered twin-vessels *Salisbury* and *Hobart*.

No. 91.

ORDER—dated 13th June 1882, No. 1474 W., Public Works.

The purchase of the boats is sanctioned, but the prior approval of Government should have been obtained.
