2. *Regular Estimate for* 1881-82.—The regular estimate as revised by the Board of Revenue does not call for remark, except that the estimated Land Cess collections out of the current demand is as low as 56·7 per cent. The large arrear demand of Rs. 1,46,903 and the collections on that account, which are estimated at 88·2 per cent., account for the slow progress of the current collections. Under Charges the Road Fund works not only absorbed all but Rs. 4,000 of the reserve of Rs. 19,130, but Rs. 15,330 in addition. The amount reserved for famine adjustment, Rs. 20,000, was not utilized for the purpose.

3. *Budget Estimates for* 1882-83.—For the next year the Land Cess is estimated at Rs. 20,000 less than the amount expected in the current year. The estimate is based on the assumption that 75 per cent. of the year's aggregate demand will be collected and no more. This allows for an uncollected balance of a little over Rs. 73,000, which is large and should be reduced. The Collector should endeavor to realize the arrear demand of over a lakh of rupees, besides 75 per cent. of the current demand, or Rs. 2,44,000 in all.

4. Under Charges the provision for Public Works is less than the regular estimate, but appears to be sufficient as explained by the Board of Revenue. A sum of Rs. 20,000 is again proposed to be reserved for famine adjustments. The proposal is approved pending orders on the general question to be reported on by the Board of Revenue.

5. Under Grant II the enhanced provision for Local Fund schools is owing to certain contemplated changes, viz., raising the standards of some schools, an increase to the teaching staff in some, and the opening of new schools. The Director of Public Instruction has not reported on these changes.

6. The Board's remarks on Grants III and IV are approved.

7. In the revised budget submitted by the Board of Revenue the allotment for new roads is shown in Statement I-B as Rs. 13,000, while in Statement II it is shown as Rs. 13,820. Notwithstanding this difference, the Road Fund balances in the two statements agree. The Board of Revenue should correct these errors before issuing the budget. The closing balances shown in the column "Actuals, 1880-81," should agree with the opening balances of the regular estimate for 1881-82.

8. Subject to these remarks, the Right Honorable the Governor in Council passes the Budget Estimates of the South Arcot Circle for 1882-83.

THE Local Fund Budget of the South Arcot Circle for 1882-83 is herewith circulated to all officers concerned.

2. *Paragraph* 3 *of the Government Order.*—With reference to paragraph 1 of the President's letter submitted to Government in Board's Proceedings, dated 28th March 1882, No. 914, the estimate of Land Cess has been raised from Rs. 2,20,000 to Rs. 2,60,000.

3. *Paragraph* 5 *of the Government Order.*—The remarks of the Director of Public Instruction were forwarded to Government with Board's Proceedings, dated 21st February 1882, No. 555.

4. *Paragraph* 7 *of the Government Order.*—The difference of Rs. 820 noticed by Government in this paragraph is the proportion debitable to the Road Fund of the estimated outlay of Rs. 1,200 in completing the construction of a Local Fund office building at Cuddalore sanctioned in G.O., Public Works Department, dated 30th December 1880, No. 2959.

2. *Regular Estimate for* 1881-82.—The regular estimate as revised by the Board of Revenue does not call for remark, except that the estimated Land Cess collections out of the current demand is as low as 56·7 per cent. The large arrear demand of Rs. 1,46,903 and the collections on that account, which are estimated at 88·2 per cent., account for the slow progress of the current collections. Under Charges the Road Fund works not only absorbed all but Rs. 4,000 of the reserve of Rs. 19,130, but Rs. 15,330 in addition. The amount reserved for famine adjustment, Rs. 20,000, was not utilized for the purpose.

3. *Budget Estimates for* 1882-83.—For the next year the Land Cess is estimated at Rs. 20,000 less than the amount expected in the current year. The estimate is based on the assumption that 75 per cent. of the year's aggregate demand will be collected and no more. This allows for an uncollected balance of a little over Rs. 73,000, which is large and should be reduced. The Collector should endeavor to realize the arrear demand of over a lakh of rupees, besides 75 per cent. of the current demand, or Rs. 2,44,000 in all.

4. Under Charges the provision for Public Works is less than the regular estimate, but appears to be sufficient as explained by the Board of Revenue. A sum of Rs. 20,000 is again proposed to be reserved for famine adjustments. The proposal is approved pending orders on the general question to be reported on by the Board of Revenue.

5. Under Grant II the enhanced provision for Local Fund schools is owing to certain contemplated changes, viz., raising the standards of some schools, an increase to the teaching staff in some, and the opening of new schools. The Director of Public Instruction has not reported on these changes.

6. The Board's remarks on Grants III and IV are approved.

7. In the revised budget submitted by the Board of Revenue the allotment for new roads is shown in Statement I-B as Rs. 13,000, while in Statement II it is shown as Rs. 13,820. Notwithstanding this difference, the Road Fund balances in the two statements agree. The Board of Revenue should correct these errors before issuing the budget. The closing balances shown in the column "Actuals, 1880-81," should agree with the opening balances of the regular estimate for 1881-82.

8. Subject to these remarks, the Right Honorable the Governor in Council passes the Budget Estimates of the South Arcot Circle for 1882-83.

THE Local Fund Budget of the South Arcot Circle for 1882-83 is herewith circulated to all officers concerned.

2. *Paragraph* 3 *of the Government Order.*—With reference to paragraph 1 of the President's letter submitted to Government in Board's Proceedings, dated 28th March 1882, No. 914, the estimate of Land Cess has been raised from Rs. 2,20,000 to Rs. 2,60,000.

3. *Paragraph* 5 *of the Government Order.*—The remarks of the Director of Public Instruction were forwarded to Government with Board's Proceedings, dated 21st February 1882, No. 555.

4. *Paragraph* 7 *of the Government Order.*—The difference of Rs. 820 noticed by Government in this paragraph is the proportion debitable to the Road Fund of the estimated outlay of Rs. 1,200 in completing the construction of a Local Fund office building at Cuddalore sanctioned in G.O., Public Works Department, dated 30th December 1880, No. 2959.

2. *Regular Estimate for* 1881-82.—The regular estimate as revised by the Board of Revenue does not call for remark, except that the estimated Land Cess collections out of the current demand is as low as 56·7 per cent. The large arrear demand of Rs. 1,46,903 and the collections on that account, which are estimated at 88·2 per cent., account for the slow progress of the current collections. Under Charges the Road Fund works not only absorbed all but Rs. 4,000 of the reserve of Rs. 19,130, but Rs. 15,330 in addition. The amount reserved for famine adjustment, Rs. 20,000, was not utilized for the purpose.

3. *Budget Estimates for* 1882-83.—For the next year the Land Cess is estimated at Rs. 20,000 less than the amount expected in the current year. The estimate is based on the assumption that 75 per cent. of the year's aggregate demand will be collected and no more. This allows for an uncollected balance of a little over Rs. 73,000, which is large and should be reduced. The Collector should endeavor to realize the arrear demand of over a lakh of rupees, besides 75 per cent. of the current demand, or Rs. 2,44,000 in all.

4. Under Charges the provision for Public Works is less than the regular estimate, but appears to be sufficient as explained by the Board of Revenue. A sum of Rs. 20,000 is again proposed to be reserved for famine adjustments. The proposal is approved pending orders on the general question to be reported on by the Board of Revenue.

5. Under Grant II the enhanced provision for Local Fund schools is owing to certain contemplated changes, viz., raising the standards of some schools, an increase to the teaching staff in some, and the opening of new schools. The Director of Public Instruction has not reported on these changes.

6. The Board's remarks on Grants III and IV are approved.

7. In the revised budget submitted by the Board of Revenue the allotment for new roads is shown in Statement I-B as Rs. 13,000, while in Statement II it is shown as Rs. 13,820. Notwithstanding this difference, the Road Fund balances in the two statements agree. The Board of Revenue should correct these errors before issuing the budget. The closing balances shown in the column "Actuals, 1880-81," should agree with the opening balances of the regular estimate for 1881-82.

8. Subject to these remarks, the Right Honorable the Governor in Council passes the Budget Estimates of the South Arcot Circle for 1882-83.

THE Local Fund Budget of the South Arcot Circle for 1882-83 is herewith circulated to all officers concerned.

2. *Paragraph* 3 *of the Government Order.*—With reference to paragraph 1 of the President's letter submitted to Government in Board's Proceedings, dated 28th March 1882, No. 914, the estimate of Land Cess has been raised from Rs. 2,20,000 to Rs. 2,60,000.

3. *Paragraph* 5 *of the Government Order.*—The remarks of the Director of Public Instruction were forwarded to Government with Board's Proceedings, dated 21st February 1882, No. 555.

4. *Paragraph* 7 *of the Government Order.*—The difference of Rs. 820 noticed by Government in this paragraph is the proportion debitable to the Road Fund of the estimated outlay of Rs. 1,200 in completing the construction of a Local Fund office building at Cuddalore sanctioned in G.O., Public Works Department, dated 30th December 1880, No. 2959.
