Telegram from S. & I
to Mr. Dunt.

Ex. 449 I quoted
by the S. & I. was issued
in manuscript & then
sent to press, where it
is still - It is the order
directing Mr. Walch
to proceed to the Canal
to form the new Canal
Division -

Mr. Walch's present
request requires the
sanction of Govt. ^{in the General Branch} under
Code para 580 (S.O. 4566
of 82) -

Will you wire
sanction in anticipation
of Govt. approval, or
telegraph to Delhi
for it?

S. A. W.

I should say that sanction

1030/6

might certainly be waived by return, in anticipation of port. approval, as a reference to Vol. might make it too late for the S & to embark his horses etc, and without doubt it is important that the S & should arrive completely equipped at Kurnool by the appointed date.

Wire sanction therefore and draft papers to Vol. for approval by 6-days work.
