GOVERNMENT OF MADRAS

FINANCIAL DEPARTMENT.

READ—the following G.O., dated 28th April 1882, No. 1055 W., Public Works:—

Read—again Resolution of the Government of India in the Department of Finance and Commerce, No. 4028, dated 4th November 1881, recorded with G.O., No. 77 W., dated 11th January 1882, on the subject of strong rooms for the storage of coins.

Order—dated 28th April 1882, No. 1055 W., Public Works.

The application of the rules laid down by the Government of India for the storage of coins in strong rooms has led to a proposal for the construction of new Huzur Treasuries throughout the country. While the Government cannot entertain a proposal of this character, it is thought that, with a view to safety, the two following general principles should be put in force in all cases, and the requisite measures will be taken as soon as possible for carrying them into effect:—

- (1.) All strong rooms should be so exposed in all their parts to the sentry on duty that no one can enter them without being exposed to view.
- (2.) The roofs or ceilings of such rooms should in all cases consist of solid terracing.
