SIR,

Despatch of June 1882

With reference to G. O. No. 2872 W-
17-11-81, I have the honor to point out
that it seems necessary that the "lines
of march" to be dealt with should be
stated -

(2) The orders are surely not intended
to apply to all camping grounds in the
"Madras Route Book" for many of the
routes therein are extremely unlikely to
be followed - e.g. Coacunda to Sironeha.

I have the honor to be
Sir

Your most obedient servant
