GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following G.O., dated 1st September 1871, No. 2788, Military :—

Read—the following letter from the Officiating Secretary to the Government of India, Military Department, to the Officiating Secretary to Government, Military Department, dated Fort William, 17th August 1871, No. 477 :—

I am directed to forward, for the information of the Right Honorable the Governor in Council, the accompanying copy of a resolution* by the Government of India in the Financial Department, and I am to draw attention to the ruling that the sole Military charges of His Excellency the Governor's Band are the net pay and clothing of the bandsmen, all other charges connected with the Band being adjusted in the Civil Department.

ENCLOSURES.

From the Accountant-General, Bombay, to the Secretary to the Government of India, Financial Department, dated Bombay, 4th July 1871, No. 1449-A.

I have the honor to state that the Government of India in the third paragraph of their resolution, No. 601, dated 31st January 1871, have decided that the extra pay of the Governor's Bandsmen, and the cost of their instruments only, should be entered as household expenses under "Administration," their net pay and clothing being made a Military charge; whereas in sanctioning the budget estimate of the Civil Department for the current year, the Government of India have excluded therefrom the whole provision (Rs. 16,101) which was made in the Civil budget for band charges (*vide* paragraph 23 of their letter, No. 2003, dated 31st March 1871).

2. I therefore beg to inquire whether this department should pass the charge on account of extra pay to the band establishment of His Excellency the Governor, and the cost of their instruments, in accordance with the Resolution, No. 601, above referred to, or refer all charges connected therewith to the Military Department, as there is now no provision for them in the Civil budget. An additional provision in the Civil budget for current year will be requisite, should it be decided that they should be met by the Civil Department.

3. I further beg to add that, under the Government of India Resolution, No. 601, referred to, the Military Department objects to pass the charge noted in the margin in that Department. I therefore request to be informed whether these charges, which are connected with the band establishment, should be submitted in the Civil Department, if so, an additional provision in the budget to meet the same will also be necessary.

From R. H. HOLLINGBERRY, Esq., Assistant Secretary to the Government of India, Financial Department, to the Accountant-General, Bombay, dated Simla, 21st July 1871, No. 2240.

In reply to your letter, No. 1449-A, of the 4th July, I am directed to inform you that all charges connected with His Excellency the Governor's Band (excepting their net pay and clothing of the bandsmen, which are Military charges) should be adjusted in the Civil Department, including the pay of the Band Master, he not being an enlisted soldier; and that such charges for the current year may proceed against the general grant for administration.

From the Examiner, Public Works Accounts, dated 26th April 1882, No. 76.

It will be seen from the general ruling laid down in Code, paragraphs 1404—7, that, except in the case of accommodation for troops, this department has no concern with the provision of quarters (rent free) for other servants of Government. It has been admitted since the grant of compensation has been made from Provincial Funds that Mr. Stradiot has no connection with the Military Department, and I am therefore of opinion that the compensation cannot be considered as a legitimate charge against the Public Works Department, but should rather be met by that department (Civil ?) which bears the cost of his salary, &c.

Endorsement, dated 4th May 1882, No. 62-E.

Referred to the Chief Secretary for information as to whether the Civil Department are prepared to admit the charge under the circumstances pointed out by the Examiner. If so, it is suggested that the Accountant-General be instructed accordingly.
