No. 82-B. From the Government of India, dated 13th February 1882, No. 82 M.

No. 82-C. ORDER THEREON, 9th March 1882, No. 612-A W.

MR. PARKES having now submitted to Government his report on the best method for reconstructing the Madras Harbour Works may consider himself at liberty to proceed by the next B.I.S.N. Steamer to Vizagapatam.

2. After examining the capabilities of that port, as also those of Bimlipatam and Calingapatam, for the formation of first-class Harbours, he should return to Madras and subsequently proceed by Beypore to Quilon with the same object.

3. On the completion of the special duty adverted to Mr. Parkes may return direct to England, if possible however submitting his reports on the several ports to this Government before his departure.

4. Should he be unable to do this he may draw up and forward the reports at an early date from England.

5. While engaged on this special duty Mr. Parkes's Indian pay at £160 will be in abeyance, but he will be entitled to a fee of £10-10-0 for each day while so specially engaged. Sundays may be included in the demand, and all *bona fide* travelling and hotel expenses will be met by Government, who will further, if desired, make the bills payable in England.

6. While engaged on the examination of the Quilon Harbour, Mr. Parkes's expenses will be defrayed by the Travancore Government. The charges will commence from the date on which Mr. Parkes leaves Madras for Quilon and end on date of embarkation for England at Colombo.

7. The following telegram has been despatched to the Collector and Agent at Vizagapatam :—

"Government desires that all needful aid be afforded Parkes who leaves by steamer to-day to report on the Vizagapatam and Calingapatam Harbours. Please warn Executive Engineer and Port Officer."

Transferred to the Examiner of Public Works Accounts for favor of remarks. The easiest way would be for the Resident to obtain a Bill of Exchange through the Branch Bank at Cochin in favor of Mr. Parkes without passing the transaction into the Government Accounts at all, but before letting the Resident this, it is thought advisable to forward the papers to the Examiner, Mr. Parkes being under the Public Works Department.
