SIR,

*Madras.*

Enclosures.

I have the honour to bring to your notice that the building known as "Range Officer Bungalow and store shed" at Pennatondah in the Anantapur District was temporarily made over to the Local Fund Board in January 1880, consequent on the abandonment of the Bellary District by the P.W.D. The building is now required by this Dept. for the use of the Anantapur Sub Divisional Officer, but the President, Local Fund Board, states that this Department should address the Board of Revenue on the matter.

2. I therefore request that the President may be instructed to re-transfer the building which is now being used as Traveller's Bungalow, to this Department.

I have the honour to be  
Sir  
Your most obedt. servant.

*J. P. Moulman*  
Executive Engineer in Ch. III Circle
