With reference to paragraph 2 of your Proceedings, No. 1292, dated 17th May 1882, I have the honor to report that the question of providing separate accommodation for the Sub-Registrar of Cherpelcheri has not been raised hitherto. The office is now held close to the Sub-Magistrate's Office in a thatched shed built and repaired annually at the cost of this department. The records are kept in a closed verandah adjoining the Sub-Magistrate's Cutcherry, which is connected with the thatched shed. The Sub-Registrar reports, you will be pleased to observe from the enclosed letter, that a separate office accommodation is necessary, and I beg to support his proposal.

Sub-Registrar's Office.

From

The Sub-Registrar of Cherpulchuri

To
The Registrar of Cutch.

Sir,

With reference to your memo No. 1103 dated
23rd May 1882 I have the honour to request that the
sum of Rs 28 — sanctioned for repairs may be
placed at my disposal.

The present office accommodation is
a small shed made of mud walls and a thatched
roof where the office is held with a room in the
western verandah of the Deputy Tahsildar's
cutchary where the records are kept. This is
insufficient as on some days in May and June
(the rainy season) more than 100 persons resort
to the office. For a proper accommodation it is
necessary to have a new office built on the
eastern side of the Deputy Tahsildar's Cutchary.

I have the honor to be,

Sir

Your most obedient servant

Marayanaiah
