16TH MAY 1882, No. 1244 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General
Account.

No. 95.

READ—the following note by Colonel R. H. SANKEY, R.E., Secretary to Government, Public Works Department, dated 22nd April 1882.

In the second column of Table No. II printed with their Order, No. 768 W., the years are given in a very confusing way, some being calendar years and some “*faslis*,” while *none* are referred to the official year, which is that ordinarily accepted, and which it is thought should be that exclusively quoted in such documents.

2. In columns 4, 8, 10, and 12 it is not stated whether the “*extent*” means acres and hundredths of acres or any other land measurement.

Reference on the above, dated 27th April 1882, No. 46 E.

Referred to the Secretary to Government, Revenue Department.

(Signed) R. H. SANKEY, Colonel, R.E.,
Secretary to Govt., P.W.D.

With reference to the endorsement by the Secretary to Government, Public Works Department, dated 27th ultimo, No. 46 E., the undersigned has the honor to state that he sees no objection to its being laid down that in future the official year shall be adopted in the returns in question.

2. The extent of land given in these returns is in acres and cents, and, in communicating to the proper authorities instructions on the subject of paragraph 1, attention will be called to the omission to denote the land measure in the headings of the columns.
