Chief Engineer P.W.D.

Sir,

With reference to G.O. No 870
W of 3rd April 1882, I have the
honor to inform you that the
extensions to the Sub Registrar's
office at Morapanaad are re-
ported by the Executive Engineer
to have been executed in a
creditable manner.

2. The rates allowed are
moderate, the brick in chumam
work including terracing being
rated at Rs 11.8-0 per cubic
yard. Wood work at Rs 2-2-0
to Rs 2.7.6 per cubic foot.

3. The Executive Engineer
did

did not have any of the brick
work or terracing opened out,
but the Sub Registrar saw
the work done himself. The
work is stated to be quite worth
the amount of the Revised
Settlement viz Rs 11.25.

I have the honor to be
Sir
your most obedt servt

L. Beatty Esq. D.R.
