Registration—Approving and sanctioning the proposal to transfer the building used as an office by the Assistant Superintendent of Police at Tirakollur, South Arcot District, for the purposes of an office for the Sub-Registrar at that station.

9TH JUNE 1882, No. 435, JUDICIAL.

GOVERNMENT OF MADRAS.
JUDICIAL DEPARTMENT.

READ—the following papers :—

From G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, dated Ootacamund, 15th May 1882, T No. 1274.

Registration Department.

It having been decided to build a Sub-Registry Office at Tirukoilúr, in the District of South Arcot, the Executive Engineer applied to Mr. Cruickshank, the Collector, to let him know the site available for the purpose.

2. With reference to this Mr. Cruickshank informed me that the office of the Assistant Superintendent of Police at Tirukoilúr, which was built at a cost of 1,120 rupees in 1878, was within the same compound as the office of the Deputy Collector on General Duty; that it was too small for the Assistant Superintendent; and that it had been suggested that it might be sufficient for the Registration Department. He wished to know whether I considered the office suitable for the Sub-Registrar, and would take it over at the valuation of the Public Works Department.

3. I replied that although the office was not quite as large as the standard design of a Sub-Registrar's Office, it was large enough for present needs, and that I would be glad if it could be transferred at the valuation mentioned.

4. Major Jenkins, the Superintendent of Police, has informed Mr. Cruickshank that the present value is Rs. 1,254, and I have the honor to request that you will be pleased to obtain the sanction of the Government to the transfer of the office in question to this Department at the value set upon it.

Acting Under Secy. to Govt.

From Colonel H. D. CLOETE, Officiating Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 22nd May 1882, No. 2615.

In reply to docket, No. 135, dated 20th instant, on the letter from the Inspector-General of Registration, herewith returned, I have the honor to state that unless Government consider it advisable that the Police Office at Tirukoilúr should be made over as a Sub-Registry Office, I would recommend it being retained, for there is no other building available and there are no funds at present wherewith to build another office, unless the Police Department is credited with the amount and permitted to commence building an office on another side.

2. The Police Office was built before the Cutcherry, but by some oversight its compound boundary was not defined, and on the Cutcherry being built and the Deputy Magistrate permitted to reside there, he erected stables and servants' godowns disagreeably near to the office, to which the Assistant Superintendent objected, but his objections were overruled by the Collector. Ever since then he has been unwilling to use his office, which he declares to be too small. He doubtless suffers some inconvenience, but unless we can be provided with funds to build another office, I cannot advocate parting with the present office.

MEMORANDUM—dated 27th May 1882, No. 172, Judicial.

The Police Department will, of course, be credited with the value of the building on transfer of possession. With this observation the Inspector-General's letter of 15th instant, No. 1274, is again referred for any further remarks the Inspector-General of Police may desire to offer.

Acting Under Secy. to Govt.

From Colonel H. D. CLOETE, Officiating Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 29th May 1882, No. 2708.

In reply to Official Memorandum, Judicial Department, No. 172, dated 27th instant, I have the honor to state that unless funds are actually placed at the disposal of the Police Department for immediate use in the erection of a new Assistant Superintendent's Office at Tirukoilūr, the credit of the value of the old building will not be of any avail.

ORDER—dated 9th June 1882, No. 435, Judicial.

The proposal to transfer the building used as an office by the Assistant Superintendent of Police at Tirukoilūr, in the District of South Arcot, for the purposes of an office for the Sub-Registrar at that station, is approved and sanctioned.

2. The Inspector-General of Registration will, in communication with the Accountant-General, arrange for the immediate transfer of its value, Rs. 1,254, to the Public Works Department, in view to a new building being constructed for the Assistant Superintendent.
