Circulating to the officers concerned the *Local Fund Budget* of the Bellary Circle for 1882-83

PROCEEDINGS OF THE BOARD OF REVENUE.

READ—the following G.O., dated 10th March 1882, No. 284, Financial:—

ABSTRACT.—*Local Funds—Budgets.*—Passing orders on Proceedings, Board of Revenue, reviewing the Local Fund Budget of the Bellary Circle for 1882-83.

RESOLUTION—dated 3rd May 1882, No. 1219.

The Local Fund Budget Estimate of the Bellary Circle is herewith circulated to all officers concerned.

2. *Paragraph 3 of the Government Order.*—The special attention of the President is drawn to the remarks of Government regarding the falling off in the estimated collections of Land-cess and Ferry-rents. He is also requested to furnish the information called for in the concluding sentence of the paragraph.

3. *Paragraph 4 of the Government Order.*—The President will report by how much the Land-cess estimate can safely be raised, and include the amount in the revised Budget which he has been called upon to submit for the Bellary Circle as now constituted. As regards the check exercised by the Board over Local Fund collections, they beg to state that the monthly Demand, Collection, and Balance Statements of Land-cess sent by Collectors are scrutinized in their office at the periods when the Budgets and Reports are received. A review of those statements at shorter intervals is in contemplation, and will be brought about from the current year.

4. *Paragraph 5 of the Government Order.*—The Board see no objection to the adoption of the suggestion contained in this paragraph, but as it is not possible for them now to estimate the exact position of the General Fund of the Circle after the recent changes in its constitution, they think the matter may be left to the President, who should, if necessary, credit the Ferry-rents to the General Fund in the revised Budget.

5. *Paragraph 6 of the Government Order.*—The amount reserved for famine adjustment has been reduced to Rs. 20,000 as ordered by Government.

PROCEEDINGS OF THE BOARD OF REVENUE.

Read—the following G.O., dated 10th March 1882, No. 284, Financial:—

Abstract.—*Local Funds—Budgets.*—Passing orders on Proceedings, Board of Revenue, reviewing the Local Fund Budget of the Bellary Circle for 1882-83.

Resolution—dated 3rd May 1882, No. 1219.

The Local Fund Budget Estimate of the Bellary Circle is herewith circulated to all officers concerned.

2. *Paragraph* 3 *of the Government Order.*—The special attention of the President is drawn to the remarks of Government regarding the falling off in the estimated collections of Land-cess and Ferry-rents. He is also requested to furnish the information called for in the concluding sentence of the paragraph.

3. *Paragraph* 4 *of the Government Order.*—The President will report by how much the Land-cess estimate can safely be raised, and include the amount in the revised Budget which he has been called upon to submit for the Bellary Circle as now constituted. As regards the check exercised by the Board over Local Fund collections, they beg to state that the monthly Demand, Collection, and Balance Statements of Land-cess sent by Collectors are scrutinized in their office at the periods when the Budgets and Reports are received. A review of those statements at shorter intervals is in contemplation, and will be brought about from the current year.

4. *Paragraph* 5 *of the Government Order.*—The Board see no objection to the adoption of the suggestion contained in this paragraph, but as it is not possible for them now to estimate the exact position of the General Fund of the Circle after the recent changes in its constitution, they think the matter may be left to the President, who should, if necessary, credit the Ferry-rents to the General Fund in the revised Budget.

5. *Paragraph* 6 *of the Government Order.*—The amount reserved for famine adjustment has been reduced to Rs. 20,000 as ordered by Government.

FINANCIAL DEPARTMENT.

READ—the following Proceedings of the Board of Revenue, dated 17th January 1882, No. 125 :—

ABSTRACT.—Reviewing and submitting for the orders of Government Local Fund Budget of the Bellary Circle for 1882-83.

ORDER—dated 10th March 1882, No. 284, Financial.

The Government observe that the Bellary Circle having been reconstituted with reference to the establishment of the new Anantapur Circle, the budget of the circle as now submitted will have to be recast before it can be adopted. Meanwhile the Board of Revenue request the provisional sanction of Government to the present budget in view "to minimize the inconvenience to the progress of work." The Government therefore proceed to pass the usual orders on the estimates submitted.

2. The subjoined abstract compares the present estimates with the regular estimate for the current year and the actuals for 1880-81 :—

3. *Regular Estimate for* 1881-82.—The regular estimate as revised by the Board of Revenue is accepted, but the Land-cess estimate is unsatisfactory as it provides for the collection of only 63·2 per cent. of the arrears demand and 71·2 per cent. of the current demand. The necessity for more prompt collections should be impressed on the Collector. The large remissions of Land-cess referred to in paragraph 8 of the Vice-President's letter should be fully reported on with reference to the Orders* of Government ruling that the cess should not as a mere matter of course be remitted with the land revenue. The revenue from Ferry Rents, under which a falling off of upwards of Rs. 3,000 as compared with the budget is expected, should be carefully watched. Under Charges the amount (Rs. 670) shown as refund of excess ferry rent collections of previous years should be explained.

* *Vide* G.Os., 1st February 1877, No. 349, and 28th March 1877, No. 1109, Financial.

4. *Budget Estimates for* 1882-83.—The Land-cess appears to be under-estimated. The President anticipates that the collections will not exceed one year's current demand, viz., Rs. 80,000. The Board of Revenue raise the estimate by Rs. 5,000. The demand appears to be arrears Rupees 39,240 and current Rupees 80,000—or Rupees 1,19,240 or Rupees 1,20,000 in round numbers. The collections if calculated even at the moderate rate of 80 per cent. will be Rs. 96,000. The Board of Revenue will consider whether the estimate for the year may not be fixed at this figure. The insufficiency of general funds to meet the necessary sanitation charges imperatively

demands increased activity in realizing the cess. The Board of Revenue will report whether the monthly accounts from circles are duly scrutinized in their office and the progress of cess collections watched. Vigilance in this respect is of the utmost importance in preventing accumulation of arrears and laxity in collection.

5. The general funds of the circle may also be supplemented by diversion to them of the Special Fund receipts which do not by law belong to the Road Fund and which the latter can well spare. If the Board of Revenue see no objection to the adoption of this course, they will revise the budget accordingly. They will also direct the Collector to watch the revenue under this head (Special Funds) as it shows signs of deterioration.

6. Under Charges the provision for Public Works does not call for remark, but the amount reserved for famine adjustment, viz., Rs. 39,120, should be reduced to Rs. 20,000 to allow of an efficient working balance being left under Road Fund instead of the nominal balance of Rs. 290 now appearing in the budget. The particulars of the educational grant should have been more fully stated by the Board of Revenue, whose reviews must as far as possible be exhaustive and self-contained. An additional teacher on Rs. 10 is proposed for three Local Fund schools. The Government sanction this and the establishment of a combined-system school at Siruguppa. The amount allotted for results grants schools, for vaccination, and for sanitation may be raised if the general funds of the circle are supplemented in the manner above pointed out.

7. Subject to the above remarks the budget submitted by the Board of Revenue for the old Bellary Circle is provisionally passed. The Board of Revenue will submit at an early date for formal sanction the budget, as it would be, for the newly-constituted Bellary Circle.

READ—the following G.O., dated 10th March 1882, No. 284, Financial:—

ABSTRACT.—*Local Funds—Budgets.*—Passing orders on Proceedings, Board of Revenue, reviewing the Local Fund Budget of the Bellary Circle for 1882-83.

RESOLUTION—dated 3rd May 1882, No. 1219.

The Local Fund Budget Estimate of the Bellary Circle is herewith circulated to all officers concerned.

2. *Paragraph 3 of the Government Order.*—The special attention of the President is drawn to the remarks of Government regarding the falling off in the estimated collections of Land-cess and Ferry-rents. He is also requested to furnish the information called for in the concluding sentence of the paragraph.

3. *Paragraph 4 of the Government Order.*—The President will report by how much the Land-cess estimate can safely be raised, and include the amount in the revised Budget which he has been called upon to submit for the Bellary Circle as now constituted. As regards the check exercised by the Board over Local Fund collections, they beg to state that the monthly Demand, Collection, and Balance Statements of Land-cess sent by Collectors are scrutinized in their office at the periods when the Budgets and Reports are received. A review of those statements at shorter intervals is in contemplation, and will be brought about from the current year.

4. *Paragraph 5 of the Government Order.*—The Board see no objection to the adoption of the suggestion contained in this paragraph, but as it is not possible for them now to estimate the exact position of the General Fund of the Circle after the recent changes in its constitution, they think the matter may be left to the President, who should, if necessary, credit the Ferry-rents to the General Fund in the revised Budget.

5. *Paragraph 6 of the Government Order.*—The amount reserved for famine adjustment has been reduced to Rs. 20,000 as ordered by Government.
