No. 4.

READ—the following letter from W. R. CORNISH, Esq., F.R.C.S., C.I.E., Surgeon-General with the Government of Madras, to the Secretary to Government, Public Works Department, dated Ootacamund, 28th June 1882, No. 285-O:—

With reference to the enclosed communication from the Surgeon, First District, Madras, I have the honor to suggest, for the consideration of His Excellency the Governor in Council, that, in rebuilding the sheds at the Leper Hospital, they may be reconstructed of more permanent materials in the manner practised in regard to the contagious wards of the General Hospital; also that the piece of ground on which the sheds stand be enclosed by the boundary wall of the Leper Hospital premises, and that the Municipal water-supply be led on to the premises. These recommendations were made last year after the Right Honorable the Governor had personally inspected the Hospital premises, and the changes suggested are much needed for the accommodation and safety of the lepers.

From Surgeon-Major D. R. THOMPSON, M.D., Surgeon, First District, in charge Leper Hospital, Madras, to the Secretary to the Surgeon-General with the Government of Madras, dated Madras, 24th June 1882, No. 3.

I have the honor to report, for the information of the Surgeon-General, that one of the three sheds within the south-eastern enclosure of the Leper Hospital was thrown down by the gale of wind on the 22nd instant, and to request that the Surgeon-General will be pleased to apply for the permanent sheds recommended for the Leper Hospital to be put up as soon as possible, instead of the renewal of the shed which has fallen down.

2. The other sheds are not in a very firm condition and might at any time be thrown down by gales of wind.
3. No injury was occasioned to any of the patients when the shed fell.

No. 5.

ORDER—dated 1st July 1882, No. 1661 W., Public Works.

Communicated to the Superintending Engineer, Fifth Circle, who will submit plans and estimates for the works recommended by the Surgeon-General.

~~THE~~ SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

North St. George

To

THE ~~CHIEF~~ SECRETARY TO GOVERNMENT,

Public Works DEPARTMENT.

SIR,

With reference to the enclosed communication from the Surgeon 1st District Madras, I have the honor to suggest for the consideration of His Excellency the Governor in Council, that in rebuilding the sheds at the Leper Hospital they may be reconstructed of more permanent materials, in the manner practised in regard to the Contagious wards of the General Hospital also, the piece of ground on which the sheds stand be enclosed by the boundary wall of the Leper Hospital premises, and that the Municipal water supply be led on to the premises. These recommendations were made last year after the Right Honorable the Governor had personally inspected the Hospital premises, and the changes suggested are much needed for the accommodation and safety of

of the lepers.

I have the honor to be,

Sir,

Your most Obedt Servant,

Wm Forster

The Surgeon of District
In-charge Leprosy Hospital Madras

To The Secretary Surgeon General
With the Government of Madras

- Sir I have the honor to report for the information of the Surgeon General, that one of the three sheds within the South-eastern enclosure of the Leprosy Hospital, was thrown down by the gale of wind on the 22nd instant, and to request that the Surgeon General will be pleased to order for the permanent shed to be put up as soon as possible, instead of the renewal of the shed which has fallen down.
- 2 The other sheds are not in a very firm condition, and might at any time be thrown down by gales of wind.
- 3 No injury was occasioned to any of the patients when the shed fell.

I have the honor to be
Sir
Your most Obedt Servant

Wm Forster
Surgeon of District
In-charge Leprosy Hospital
