No. 17.

READ—the following letter from Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Engineer and Secretary to Government, Public Works Department, dated Ootacamund, 17th May 1882, No. 128 :—

I have the honor to forward, for the approval and sanction of Government, the accompanying plans and estimates for the extension of workshop accommodation in the Central Jail at Rajahmundry.

1 Plan.
1 Estimate, Rs. 4,750.
1 Plan.
1 Estimate, Rs. 2,890.

2. When the Central Jail was originally sanctioned, it was intended to

provide the full amount of workshop accommodation for each compartment, but when the jail was in the course of construction, it was determined to postpone building the additional workshops until their requirement was fully proved. In consequence of the extension of manufactures the present workshop accommodation is found to be quite inadequate. I therefore request the favor of your obtaining the sanction of Government for the increase of accommodation required.

3. The amounts of the estimates are Rs. 4,750 and Rs. 2,890, respectively, but a deduction of Rs. 1,186 can be made from the first estimate and Rs. 760 from the second estimate on account of prison labor, which is given free of charge. Funds are available from the Convict Labor Fund.

No. 18.

ORDER—dated 5th June 1882, No. 1380 W., Public Works.

The estimates, amounting to Rs. 7,640, for providing extended workshop accommodation in the Central Jail at Rajahmundry are sanctioned.

2. Rs. 1,946 will be deducted from the estimates on account of prison labor, and the Accountant-General will be instructed in the Financial Department to place the balance required, Rs. 7,089,* at the disposal of the Public Works Department from the Convict Labor Fund.
