country pony for Rs. 50 or so, asked me whether I would not like to become the possessor of the mare for the price which had been already paid for it. Not wishing to keep 3 animals I refused the offer. This was about 3 months ago. However as in the hot weather I found that my Australian was quite knocked up by my work and that the possession of another animal to suit my harness would be of great assistance and an opportunity occurring by which I was enabled to dispose of my pony to a European gentleman in Madras a few days ago. I write now soliciting sanction for my purchase.
