FINANCIAL DEPARTMENT.

READ—the following paper:—

Despatch from the Most Honorable the Secretary of State for India, to His Excellency the Most Honorable the Governor-General of India in Council, dated India Office, London, 11th May 1882, No. 141, Financial.

In a Bombay Civil Disbursements Schedule of the account-current, received from India for the month of June 1876, the following entry occurred, "Paid passage money for a Spanish prisoner, as per Government Resolution, No. 2316, dated 30th May 1876, Rs. 282-10-0," the equivalent of the amount being £25-12-3. That sum was not recovered at the time, and too long a period has now elapsed to admit of its being claimed. The amount should, therefore, be withdrawn from the account-current, and finally charged against the revenues of India in your accounts.

2. I take this opportunity of pointing out that it is not sufficient to include items of the nature of the one now referred to in the account-current, in view to their recovery; and that the facts in connection with them require to be specially represented, either in a Secretary's letter, or in a letter from the particular Government which may be cognizant of them. I shall be glad if your Excellency will issue instructions to that effect.

No. 1543.

Endorsement on the above.

Copy forwarded to the Governments of Madras and Bombay and to the Comptroller-General for information and guidance.
