Letter—from

Colonel R. H. SANKEY, C.B., R.E.,
Secretary to Government, Public Works Department,

To

The SECRETARY to the GOVERNMENT of INDIA,
Public Works Department.

Sir,

With reference to the enquiry contained in your letter, No. 67 T.E., dated 3rd May 1882, as to the necessity for continuing the grant of extra salary in the Hill Tracts of Vizagapatam and the Wynaad, I am desired to say that His Excellency the Governor in Council considers it would be essential to do so in some form owing to the great expense of living in these portions of the Presidency and to the risks which all, whether Europeans or Natives, have to run while serving therein from their general unhealthiness.

2. The present method as defined in paragraph 673 of the Madras Public Works Code, by which 50 per cent. is added to both salary and travelling allowances, does not, as regards the former, commend itself to this Government, as giving, particularly in the higher grades of the department, advantages beyond what is in their opinion required.

3. While retaining double travelling allowances, the Government would, I am to say, prefer to give a temporary step of promotion to all members of the department while serving in, or present on inspection duty within, the tracts in question, such promotion, however, to cease when absent, and moreover not to interfere with the temporary promotions due to the ordinary action of the rules elsewhere.

4. With reference to the inquiry contained in the second paragraph of your letter under reply, the following, I am to observe, are the special allowances passed to officers of the Civil Department serving in the tracts in question, viz. :—

Civil Officers in the Wynaad.

	RS.	
Deputy Collector, General Duties, in addition to pay ...	150	per month.
Do. in lieu of travelling allowance at Rs. 3 ...	10	per diem.
Acting Assistant Superintendent of Police, in lieu of acting allowance, the full pay of the appointment	500	per month.
Assistant Superintendent of Police, travelling allowances in lieu of Rs. 4 per diem	10	per diem.
Superintendent of Police, in lieu of Rs. 5	10	do.
Deputy Inspector-General of Police, in lieu of Rs. 6 ...	10	do.

Police Officers employed on the Hill Tracts of the Vizagapatam District.

	RS.
Acting Assistant Superintendents, full pay in lieu of acting allowance	500 per month.
Assistant Superintendents, travelling allowance in lieu of Rs. 4 per diem	10 per diem

I have the honor to be,
Sir,
Your most obedient servant,

Letter from the Govt of India No 67 T. E. of 3rd May 1882.

The question at the concluding portion of para 1 will apparently have to be submitted for the orders of Govt with the Ch. Engr's opinion.

It will be seen from the papers attached to G.O.s No 2561 W of 8th Novr 1880 & No 515 W of 25th Feby 1881, that the question asked in para 2 has already formed the subject of enquiry in this dept.

The Accountant General's letter attached to the first mentioned

For remarks —

The grant of 50% in addition to pay and T.A. to members of the Dept. in Wynaad & in Polinghy Tract may be open to question particularly in its application to officers drawing higher salaries in the Dept; and in any case the practice is very different from what obtains in the provinces immediately under the G of I. Here so far as my experience goes the rule was ~~that~~ on submission of a cer~~tificate that~~ the time of a court was 30 Rs per

measure or afterwards within the specified Zone the Officer or Subordinate was entitled to double travelling allowances — no more

You may be able to show how this rule which was one of easy application compared with a few selected cases in the two tracts mentioned

It is not a little anomalous that while the Offs in this department have under the above ruling restricted the extra allowance to meet excessive cost of travelling they have in the Medical Dept. admitted that "reputed unhealthiness or dearness of provisions" (see para 496 of the Code) form just grounds for increasing emoluments

So far therefore as I am enabled to see no guiding principles have as yet been enunciated by the G.R.

Please see the annexed file relating to enquiries now being made by the G of I on the subject of special allowances which have hitherto been admitted to Officers and Subordinate Services in the Wynaad and hill tracts of Vizagapatam viz. 50 per cent on all salary and travelling allowances

To the best of my knowledge remuneration granted in this particular form is peculiar to Madras, and as I notice in the new T.A. Code lately sent with remarks by the G of I that the remuneration therein proposed is limited simply to the grant of 'double travelling allowances' the question is whether this will be in

itself sufficient, or whether something in addition should now be recommended

My impression is that the G of I will not allow the present 50 per cent on "salary" to hold as nowhere else is any thing of the same kind admitted but they might possibly admit a local rule by which all Officers and Subordinates posted to either of the tracts in question are pro tem given the next higher grading in the dept. with the pay and allces thereto appertaining, plus double travelling allowances, as laid down in the new Code

Please favor me with your opinions on this point before addressing Government

I entirely concur with W. in the opinion that the salary of the next higher grade, plus double travelling allowance as proposed in the new draft T.A. Code, will be suitable to the cases of Officers & Subordinates employed in the unhealthy tracts named, — more suitable perhaps than the present grant of 50 % additional salary & allowances.

Government of Madras,

PUBLIC WORKS DEPARTMENT.

To

The Secretary to the
Government of India, P.W. Dept

10th July 1882.

Sir,

With reference to the enquiry contained in your letter No. 67 I.E. d/ 3rd May 1882 as to the necessity for continuing the grant of extra salary in the Hill tracts of Vizagapatam and the Wynaad, I am desired to say that His Excellency the Governor in Council consider it would be essential to do so in some form owing to the great expense of living in these portions of the Presidency and to the risk which all whether Europeans or natives have to run while serving therein from their general unhealthiness.

2. The present method as defined in para 673 of the Madras P.W. Code, by which 50 per cent is added to both salary and travelling allowances does not as regards the former commend itself to this Government, as giving,

particularly in the higher grades of the Department, ~~giving~~ advantages beyond what is in their opinion required.

3. While retaining double travelling allowance the Government would, I am to say, prefer to give a temporary step of promotion to all members of the Department while serving in, or present on inspection duty, within the tracts in question, such promotion however to cease when absent, and moreover not to interfere with the

temporary promotions due to the ordinary action of the rules elsewhere.

4. With reference to the enquiry contained in the second para of your letter under reply, the following I am to observe are the special allowances passed to officers of the Civil Department serving in the tracts in question viz.:—

~~Of~~ Civil Officers in the Wynaad

Deputy Collector, general duties in addition to pay	Rs 150 per month.
Do — in lieu of travelling allowance at Rupees 3	" 10 per diem
Ag. Asst. Suptts of Police in lieu of acting allowance, the full pay of the appointment	" 500 per month
Ag. Suptt. of Police. Travelling allowance in lieu of Rs 4/ per diem	Rs 10 per diem
Suptt. of Police in lieu of Rs 5 do	" 10 do
Dy Insp. General of Police in lieu of Rs 6/ do	" 10 do

~~Offic~~ Police Officers employed on the Hill tracts of the Vizagapatam D.

Ag. Asst. Superintendents, full pay in lieu of acting allowance	Rs 500/ per month
Asst. Suptts. Travelling allowance in lieu of Rs 4/ per diem	Rs 10 per diem
