4. Supposing he had Commenced on the minimum pay of a Second Class Draftsman, he would, by this time, have been drawing Rs 50 for the last 2 years.

5 As he is not on the minimum pay of his grade, the usual Conditions (para 2 of G. O. No. 1908 of the 2nd August 1881) for an increment do not apply.

6. Considering that Mr. Fletcher has already 7 years Service, and has done well, I venture to recommend, that he be allowed to draw the maximum pay of his grade from the date of his Certificate.
