READ—the following paper :—

From H. B. GRIGG, Esq., M.A., Director of Public Instruction, to the Chief Secretary to Government, dated Ootacamund, 9th June 1882, No. N.—52.

In the memorandum from the Public Works Department of the 16th August 1881, No. 1906, communicated to me in G.O., Educational Department, No. 274, dated 22nd August 1881, the Superintendent of Works was directed to sanction an estimate, amounting to Rs. 1,060, for repairing the Ragged School building. The Industrial School, Black Town, is held in the companion building, and is reported to be in a dangerous condition. I requested the Superintendent of Works, Presidency, in November 1881, to state whether the building had been repaired, but no reply has been received to my reference.

2. In reviewing the report on the Industrial School for 1880-81 (G.O., Educational Department, 29th August 1881, No. 285), Government remarked that the cost of repairing the school-house should be debited to Provincial—Education. No funds are available under Educational Building Fund or Educational Fund to meet the cost of such repair, and further the charge cannot properly be debited to the Educational Department for reasons stated in my letter, No. N.—66, dated 16th June 1881. I have therefore the honor to request that the Public Works Department be authorized to carry out the necessary repairs.

ORDER—dated 20th June 1882, No. 98, Educational.

Sanctioned.

2. Orders will shortly issue regarding the debit of the charge.
