2. *Regular Estimate*, 1881-82.—The regular estimate shows on the receipt side decreases as compared with the budget under Fishery Rents and Choultry Receipts ascribed to insufficiency of rain; but these are counterbalanced by expected contributions to the extent of Rs. 2,280 from certain ryots for constructing tanks. On the charge side there is a large net increase of Rs. 15,200. The excess under Grant I alone is Rs. 18,465, and of this Rs. 12,640 belong to the Road Fund. The source from which these supplemental allotments were sanctioned has not been specified. Seeing that the unallotted Road Fund balance of the budget was only Rs. 4,920, the subsequent allotments made by the Board of Revenue should not have exceeded the reserve of Rs. 5,580, unless they had reasons to conclude that the opening balance of 1881-82 would be greatly in advance of that shown in the sanctioned budget, which, however, was not the case. The transfer of Rs. 5,000 from the General to the Road Fund, sanctioned in G.O., 9th January 1882, No. 39, was apparently necessitated by allotments in excess of the Road Fund assets. In future the instructions of Government in the orders marginally noted must be borne in mind.

G.O., 15th October 1878, No. 1839, paragraphs 12 and 20.
G.O., 19th July 1879, No. 1376, paragraph 5.
G.O., 20th Jan. 1880, No. 208, paragraph 2.

3. *Budget Estimate*, 1882-83.—The Budget Estimate of receipts for 1882-83, as revised by the Board of Revenue, do not call for remark; but the Land-cess may be fairly taken at Rs. 80,000, or at Rs. 5,000 more than the President's estimate, as the latter allows of a collection of only 81·3 per cent. of the demand against 83 per cent. in the current year; whereas Rs. 80,000 will represent 88·8 per cent., which is not too high. It is noted that contributions from private individuals to the extent of Rs. 2,500 are again expected during next year.

4. The provision for Public Works should be cut down by Rs. 1,150 allotted for completing the road from Tenkási to Madura *viâ* Srívilliputur, as the state of the Road Fund does not admit of undertaking new works. This saving will permit of the Road Fund reserve being raised to the full 10 per cent. required by the rules. The provision for Education is generally in accordance with the Director's recommendation in his letter submitted with Board's Proceedings, dated 20th February 1882, No. 543. Any further amount required for Inspection and Training Schools may be allotted from the General Fund reserve and balance. It is observed that the increased provision for Hospitals is due to the replacement of Hospital Assistants by Apothecaries. The Board's revision of the estimates under Grants III and IV are approved.

5. Subject to the above remarks the Right Honorable the Governor in Council passes the Budget Estimates of the Shermádevi Circle for 1882-83.

PROCEEDINGS OF THE BOARD OF REVENUE.

RESOLUTION—dated 12th May 1882, No. 1308.

The Local Fund Budget of the Shermádevi Circle for 1882-83 is herewith circulated to all officers concerned.

2. With reference to the remarks in paragraph 3 of the Government Order, the Board beg to observe that the actual opening balance of the Road Fund in 1881-82 was Rs. 7,605 in excess of that anticipated while framing the Budget. If the closing balance of the Budget were raised by this amount, the sum available for allotment under the Road Fund in 1881-82 including the Reserve and the Rs. 5,000 transferred from the General to the Road Fund would be Rs. 23,105, out of which only Rs. 12,640 were allotted by the Board at the request of the President.

3. As directed by Government, the land cess has been raised to Rs. 80,000 and the provision for new works reduced by Rs. 1,150.

2. *Regular Estimate*, 1881-82.—The regular estimate shows on the receipt side decreases as compared with the budget under Fishery Rents and Choultry Receipts ascribed to insufficiency of rain; but these are counterbalanced by expected contributions to the extent of Rs. 2,280 from certain ryots for constructing tanks. On the charge side there is a large net increase of Rs. 15,200. The excess under Grant I alone is Rs. 18,465, and of this Rs. 12,640 belong to the Road Fund. The source from which these supplemental allotments were sanctioned has not been specified. Seeing that the unallotted Road Fund balance of the budget was only Rs. 4,920, the subsequent allotments made by the Board of Revenue should not have exceeded the reserve of Rs. 5,580, unless they had reasons to conclude that the opening balance of 1881-82 would be greatly in advance of that shown in the sanctioned budget, which, however, was not the case. The transfer of Rs. 5,000 from the General to the Road Fund, sanctioned in G.O., 9th January 1882, No. 39, was apparently necessitated by allotments in excess of the Road Fund assets. In future the instructions of Government in the orders marginally noted must be borne in mind.

G.O., 15th October 1878, No. 1839, paragraphs 12 and 20.
G.O., 19th July 1879, No. 1376, paragraph 5.
G.O., 28th Jan. 1880, No. 208, paragraph 2.

3. *Budget Estimate*, 1882-83.—The Budget Estimate of receipts for 1882-83, as revised by the Board of Revenue, do not call for remark; but the Land-cess may be fairly taken at Rs. 80,000, or at Rs. 5,000 more than the President's estimate, as the latter allows of a collection of only 81·3 per cent. of the demand against 83 per cent. in the current year; whereas Rs. 80,000 will represent 88·8 per cent., which is not too high. It is noted that contributions from private individuals to the extent of Rs. 2,500 are again expected during next year.

4. The provision for Public Works should be cut down by Rs. 1,150 allotted for completing the road from Tenkási to Madura *viâ* Srívilliputur, as the state of the Road Fund does not admit of undertaking new works. This saving will permit of the Road Fund reserve being raised to the full 10 per cent. required by the rules. The provision for Education is generally in accordance with the Director's recommendation in his letter submitted with Board's Proceedings, dated 20th February 1882, No. 543. Any further amount required for Inspection and Training Schools may be allotted from the General Fund reserve and balance. It is observed that the increased

provision for Hospitals is due to the replacement of Hospital Assistants by Apothecaries. The Board's revision of the estimates under Grants III and IV are approved.

5. Subject to the above remarks the Right Honorable the Governor in Council passes the Budget Estimates of the Shermádevi Circle for 1882-83.

PROCEEDINGS OF THE BOARD OF REVENUE.

RESOLUTION—dated 12th May 1882, No. 1308.

The Local Fund Budget of the Shermádevi Circle for 1882-83 is herewith circulated to all officers concerned.

2. With reference to the remarks in paragraph 3 of the Government Order, the Board beg to observe that the actual opening balance of the Road Fund in 1881-82 was Rs. 7,605 in excess of that anticipated while framing the Budget. If the closing balance of the Budget were raised by this amount, the sum available for allotment under the Road Fund in 1881-82 including the Reserve and the Rs. 5,000 transferred from the General to the Road Fund would be Rs. 23,105, out of which only Rs. 12,640 were allotted by the Board at the request of the President.

3. As directed by Government, the land cess has been raised to Rs. 80,000 and the provision for new works reduced by Rs. 1,150.

2. *Regular Estimate*, 1881-82.—The regular estimate shows on the receipt side decreases as compared with the budget under Fishery Rents and Choultry Receipts ascribed to insufficiency of rain; but these are counterbalanced by expected contributions to the extent of Rs. 2,280 from certain ryots for constructing tanks. On the charge side there is a large net increase of Rs. 15,200. The excess under Grant I alone is Rs. 18,465, and of this Rs. 12,640 belong to the Road Fund. The source from which these supplemental allotments were sanctioned has not been specified. Seeing that the unallotted Road Fund balance of the budget was only Rs. 4,920, the subsequent allotments made by the Board of Revenue should not have exceeded the reserve of Rs. 5,580, unless they had reasons to conclude that the opening balance of 1881-82 would be greatly in advance of that shown in the sanctioned budget, which, however, was not the case. The transfer of Rs. 5,000 from the General to the Road Fund, sanctioned in G.O., 9th January 1882, No. 39, was apparently necessitated by allotments in excess of the Road Fund assets. In future the instructions of Government in the orders marginally noted must be borne in mind.

G.O., 15th October 1878, No. 1839, paragraphs 12 and 20.
G.O., 19th July 1879, No. 1376, paragraph 5.
G.O., 28th Jan. 1880, No. 208, paragraph 2.

3. *Budget Estimate*, 1882-83.—The Budget Estimate of receipts for 1882-83, as revised by the Board of Revenue, do not call for remark; but the Land-cess may be fairly taken at Rs. 80,000, or at Rs. 5,000 more than the President's estimate, as the latter allows of a collection of only 81·3 per cent. of the demand against 83 per cent. in the current year; whereas Rs. 80,000 will represent 88·8 per cent., which is not too high. It is noted that contributions from private individuals to the extent of Rs. 2,500 are again expected during next year.

4. The provision for Public Works should be cut down by Rs. 1,150 allotted for completing the road from Tenkási to Madura *viâ* Srívilliputur, as the state of the Road Fund does not admit of undertaking new works. This saving will permit of the Road Fund reserve being raised to the full 10 per cent. required by the rules. The provision for Education is generally in accordance with the Director's recommendation in his letter submitted with Board's Proceedings, dated 20th February 1882, No. 543. Any further amount required for Inspection and Training Schools may be allotted from the General Fund reserve and balance. It is observed that the increased

provision for Hospitals is due to the replacement of Hospital Assistants by Apothecaries. The Board's revision of the estimates under Grants III and IV are approved.

5. Subject to the above remarks the Right Honorable the Governor in Council passes the Budget Estimates of the Shermádevi Circle for 1882-83.

PROCEEDINGS OF THE BOARD OF REVENUE.

RESOLUTION—dated 12th May 1882, No. 1308.

The Local Fund Budget of the Shermádevi Circle for 1882-83 is herewith circulated to all officers concerned.

2. With reference to the remarks in paragraph 3 of the Government Order, the Board beg to observe that the actual opening balance of the Road Fund in 1881-82 was Rs. 7,605 in excess of that anticipated while framing the Budget. If the closing balance of the Budget were raised by this amount, the sum available for allotment under the Road Fund in 1881-82 including the Reserve and the Rs. 5,000 transferred from the General to the Road Fund would be Rs. 23,105, out of which only Rs. 12,640 were allotted by the Board at the request of the President.

3. As directed by Government, the land cess has been raised to Rs. 80,000 and the provision for new works reduced by Rs. 1,150.
