PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue, dated 16th June 1882, No: C.P. 4481, on letter from the Collector of South Canara, dated 11th May 1882, No: 1094.

I have the honor to request that the Board of Revenue will be pleased to obtain sanction for the disposal of the marginally noted buildings which the recently abolished Salt Preventive Police used as Station Houses and which were abandoned by them on the organization of the new Preventive Services.

The Assistant Commissioner of Salt Revenue, Central Division, on being addressed on the subject, writes that these buildings will not be required by the Salt Department, nor is there any likelihood of any other Department needing the same. The buildings are mere thatched sheds of inconsiderable value. That at Kasaragod stand so close to the Custom House that it is not desirable to sell

it to anybody. I therefore propose to dis-
mantle it and sell the materials.

3. The one at Kot stands
in the middle of a village bazaar and,
if sold with its site, may possibly real-
ize a fair price. I therefore propose to
sell it by auction.

4. I request early orders, as
the buildings must be disposed of one
way or the other before the monsoon
sets in.

Submitted for the orders of
Government.

Order thereon, 28th June 1882, No. 2057.

It is observed that the
buildings in question were in the occu-
-pation of the Salt Preventive Police
and were abandoned by them in
the recent reorganization of the
Preventive Service. The Salt De-
-partment should have made
them over to the Public Works

Department.

Department in accordance with S.O.
149 (Maclean's Edition) and it is not
understood why the Collector took charge
of them, nor why the Board have made
this reference. The procedure laid down
in the order quoted above should
now be followed.
