No. 81.

READ—the following letter from R. F. CHISHOLM, Esq., Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepauk, 4th July 1882, No. 252 :—

With reference to G.O., No. 1455 W., of 10th June 1882, I have the honor to point out that the sum of Rs. 5,027 therein stated to have been expended to end of March 1882 includes Rs. 214 sanctioned for the works noted in the margin by the Director of Public Instruction in his Proceedings, No. 563, of 2nd February 1882. The outlay on these (under instructions from the Examiner, Public Works Accounts) is being included in the general expenditure in the repairs to the Presidency College.

2. Deducting this sum of Rs. 214 from the above outlay of Rs. 5,027 leaves an expenditure of Rs. 4,813 against the estimate of Rs. 7,317 sanctioned in G.O., No. 455 W., of 20th February 1882. The difference between these two amounts, viz., Rs. 2,504, is the sum applied for as the balance of the estimate for the current year.

3. I shall accordingly feel obliged by your kindly sanctioning this amount, viz., Rs. 2,504, in lieu of Rs. 2,290 sanctioned in the Government Order under acknowledgment.
