	RS.
Registrar's Office at Coimbatore	3,920
Sub-Registrar's Office at Aravakurchi	2,120
Do. at Satyamangalam	2,120
Do. at Karúr	2,120

Do. at Kollegal	2,630

They have been prepared according to the standard plans, &c., circulated in G.O., No. 120 W., dated 14th January 1882, and terraced roofs are provided for it, being considered most suitable to Coimbatore District. The sites have been selected in communication with Sub-Registrars, and are approved of by the Inspector-General. The plans and estimates have been examined in this office and have been approved of. The works would probably take eight months to complete after sanction and allotment of funds. There are no public buildings available at the places where it is proposed to build the new offices except at Bhaváni, where the lower rooms of the Bhaváni bungalow could, at a cost of Rs. 250, be made suitable for the Sub-Registrar's Office. This proposal, however, is not approved of by the Registration Department, who naturally prefer new buildings to be built for their offices.
