The grant for temporary establishment is in excess of limit and I have put up two drafts for approval - to be for the present - pending approval of these drafts, transfer Rs 500 from Reserve to Provisional Establishment, to meet appropriation for orders already passed. Rs 500 more than half the grant viz Rs 13128 has been granted for the Provisional Office of the 2nd Circle. When I return from leave I will again go into this question -

C. A. W.

Godokan We have not hitherto sought the sanction of the G. O. S. to transfers from Prov. Reserve

only 4/7. Re 13/7

to Temp. Estab. but C's
office hold that it will
be necessary ~~here~~ ^{here} ~~here~~
under Code para 2150 -

B. proposes therefore to
re-open the question.

Apparently the Local Govt
can make provision in their
Budget for temp. estab.
to any extent, but having
once entered the amount,
they cannot add a pie without
the sanction of the G. D.!

~~But~~ ~~proposes~~ ~~by~~ ~~proposing~~
to see in several cases we
have sanctioned permanent
increases of estab. & given
the funds for the current year
from the grant for temp. est.

B. proposes by & by to see
if in all such cases the cost
cannot be met from savings
in the budget, or that the
appropriations may be
withdrawn & recredited
to the grant for T. est.

To W
The Financial
Department at the

No
The Govt of India concede
large powers to Local
Govts in regard to their
Provincial expenditure,
but by interpolations
in our Departmental
Code, these powers
are frequently curtailed.
The present is a
case in point.

On one hand the
Local Govts are told
that they have un-
limited power to deal
with Provincial es-
tablishments up to
Rs 250 per annum for
each appointment.
and on the other they
are precluded from
equipping an
additional Lascar
for one month at a
charge of say Rs 6/-
if the Budget provision
under this particular
head happens to

have been looked up to.
The Local Govt. may be
willing to find the money
from their own resources
without seeking the
aid of the Govt. of India,
but they are not
allowed to do so!
Should this be the
intention of the Govt. of
India, which I would
not assume until
they say so themselves,
then, it is submitted,
that a vigorous protest
should be ^{made} ~~submitted~~
in the Financial
Dept. against such
an obvious reversal
of the liberal views
enunciated in the
various Decentralization
Resolutions.

The employment of
Mr. Durbill is another

recent case in point.
The Local Govt. were in
effect told that
they could not employ
an Accountant, whom
they were paying from
Provincial Funds -
except in the manner
most suitable for the
Public Service.

It is suggested
that the money
required for "Temporary"
Establishments be
appropriated in the
usual way, leaving
the Examiners to
raise any question
which they may con-
sider necessary?
