GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

No. 115.

READ—the following letter from Lieutenant W. L. C. BADDELEY, R.E., General Superintendent, Public Works Stores and Workshops, to the Deputy Chief Engineer, Public Works Department, dated Madras, 10th June 1882, No. 437 S.:—

I have the honor to forward a list of *unservicable* instruments which, if sold by public auction at Madras, will hardly realise the price of the metal. I beg to suggest that they may be sent to England with the *repairable* instruments, in order that they may be sold in England. The mountain barometers cannot be repaired here; they were sent to England, repaired and returned, but although a premium was given on each instrument for safe delivery, none of them were received in good order.
