With reference to paragraph 9 of G.O., No. 1209 W., dated 12th May 1882, I have the honor to state that a sum of Rs. 2,504 is required for the current year under Excluded Local Fund Repairs for the work "Repairs to the Presidency College," being the balance of the estimate for that work, as already applied for in the List of Incomplete Works submitted on the 19th May 1882.

2. The sum of Rs. 2,000 applied for in this office letter, No. 920, of 4th March 1882, was only approximate.

To,

Chief Engineer P.W.D.

Sir,

I have the honor to inform you that Sergeant R. W. Mac Alister Supervisor in charge of Masura Sub Division claimed full tentage in addition to hireage for the 2nd March 1882, but the Examiner of P. W. Accounts has deferred the audit of the Tentage pending sanction of Government as required by para 599 of the P. W. Code. The Supervisor's camp on that day was left standing at Dumyanayakanur while he travelled by rail to Dindigul to meet me on duty. Under the circumstances I request that the necessary sanction may be accorded to enable the Examiner to audit the claim.

I have &c.
