Fourth Circle.

To, The Chief Engineer
P.W. Department
Madras

Sir,

I have the honor to request you will be so good as to obtain the sanction of Government under para 580 of the P.W. Code for the Charge of Rs 3-7-0 incurred by Lt. Ronilly A.E. in carrying tents &c by him by rail from Mullapuram to Tripattor on 20th April 1882.

2. As the tents were required by him at ~~Burghoor~~ on the 22nd, at Burghoor, which is

17 miles beyond Tripatoot,
I consider the charge is legi-
timate and may be passed.

I have the honor to be,

Sir,
Your most O^bl. Servant.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following G.O., dated 14th June 1882, No. 240-E., Public Works :—

READ—the following paper :—

Despatch from the Most Honorable the MARQUIS OF HARTINGTON, Secretary of State for India, to His Excellency the Right Honorable the Governor in Council, Fort St. George, dated India Office, London, 18th May 1882, No. 9 (Public Works).

I forward, herewith, for your Excellency's information, copy of a despatch* which I have this day addressed to the Government of India, requesting to be

regularly supplied in future with full reports of the results of operations at the Civil Engineering Colleges in India.

2. I request that your Excellency's Government will take the necessary steps for keeping this office duly supplied with full reports as regards the Madras Presidency.

ENCLOSURE.

Despatch from the Most Honorable the Secretary of State for India, to His Excellency the Most Honorable the Governor-General of India in Council, dated India Office, London, 18th May 1882, No. 27, Public Works.

Your Excellency will learn from the marginally-quoted copies of telegrams that it was recently found necessary, in order to supply certain information which was required in this country respecting operations at the Thomason Civil Engineering College, to apply to your Government for the same.

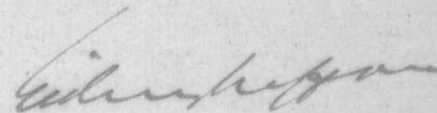

2. The absence of periodical reports relating to that and the other Civil Engineering Colleges in India is a source of some inconvenience, and I have to request that your Excellency will issue such instructions as will insure this office being regularly supplied in future with copies of such reports as are submitted to your Government of the results of operations at the several Civil Engineering Colleges in India, together with statements showing admissions to the public service from these institutions, and any further information in connection with them which you may consider likely to be of practical use or interest.

3. Copies of this despatch have been transmitted to the Governments of Bombay and Madras.

ORDER—dated 21st June 1882, No. 101, Educational.

Communicated to the Director of Public Instruction, with reference to paragraph 2 of the despatch, in view to the full information required being regularly furnished.

In addition to what is embodied in the Annual Report on Public Instruction, the report on the Civil Engineering College should be submitted to Government separately.
(True Extract.)
