2. *Regular Estimate for* 1881-82.—The regular estimate, as revised by the Board of Revenue, appears to be generally correct; but the Government observe that the raising of the land-cess estimate by the Board of Revenue is very moderate; it should be explained whether the sum of Rs. 21,273 proposed to be written off is in addition to, or part of, the Rs. 25,000 said to be irrecoverable in 1880-81 (*vide* paragraph 2 of G.O., 16th May 1881, No. 864, Financial Department). Such large remissions need to be closely scrutinised.

3. *Budget for* 1882-83.—In the Budget Estimates for 1882-83, the Board of Revenue have reduced the President's estimate of land-cess collections from Rs. 1,20,000 to Rs. 1,16,000, but the former amount being only 84 per cent. of the year's demand, it may fairly be adopted. This will go some way to supply the additional funds wanted to supplement the General Funds; the inadequacy of which is remarked on by the Sanitary Commissioner and the Board of Revenue. The Government would also transfer to the General Fund the Pound Fund receipts.

Demand for 1882-83.	RS.
Arrears	37,690
Current	105,000
Total ..	1,42,690

It is observed that notwithstanding the great importance of the roads in the circle which is not traversed by the railway, the revenue realized from Tolls is exceedingly small, Rs. 3,500.

4. Under Charges, the Public Works provision is well explai
important change proposed is the employment of a separate engi
of Rs. 13,310. The Government sanction the proposal, a

RESOLUTION—dated 12th June 1882, No. 1515.

The Local Fund Budget Estimate of the Kurnool Circle for 1882-83 is herewith circulated to all officers concerned.

2. PARAGRAPH 2 OF THE GOVERNMENT ORDER.—From paragraph 5 of the President's letter printed in Board's Proceedings, dated 15th July 1881, No. 1398, it is observed that the sum of Rs. 25,000 referred to in the Government Order quoted by Government includes the Rs. 21,273 stated to be irrecoverable in the regular estimate for 1881-82.

3. PARAGRAPH 3 OF THE GOVERNMENT ORDER.—As directed by Government, land cess has been raised to Rs. 1,20,000 and the Pound Fund credited to the General Fund.

4. PARAGRAPH 4 OF THE GOVERNMENT ORDER.—The Director's remarks on the educational portion of the budget were submitted to Government with Board's Proceedings, dated 27th March 1882, No. 905. The President is requested to submit through the Sanitary Commissioner further proposals for expending on sanitation funds which have now become available.

2. *Regular Estimate for* 1881-82.—The regular estimate, as revised by the Board of Revenue, appears to be generally correct; but the Government observe that the raising of the land-cess estimate by the Board of Revenue is very moderate; it should be explained whether the sum of Rs. 21,273 proposed to be written off is in addition to, or part of, the Rs. 25,000 said to be irrecoverable in 1880-81 (*vide* paragraph 2 of G.O., 16th May 1881, No. 864, Financial Department). Such large remissions need to be closely scrutinised.

3. *Budget for* 1882-83.—In the Budget Estimates for 1882-83, the Board of Revenue have reduced the President's estimate of land-cess collections from Rs. 1,20,000 to Rs. 1,16,000, but the former amount being only 84 per cent. of the year's demand, it may fairly be adopted. This will go some way to supply the additional funds wanted to supplement the General Funds; the inadequacy of which is remarked on by the Sanitary Commissioner and the Board of Revenue. The Government would also transfer to the General Fund the Pound Fund receipts. It is observed that notwithstanding the great importance of the roads in the circle which is not traversed by the railway, the revenue realized from Tolls is exceedingly small, Rs. 3,500.

Demand for 1882-83.

4. Under Charges, the Public Works provision is well explained. The most important change proposed is the employment of a separate engineering staff at a cost of Rs. 13,310. The Government sanction the proposal, as revised by the Board of Revenue. The repetition of the allotment on account of famine adjustments is passed subject to orders that may hereafter issue on the general question. The Government await the Director's remarks on the educational provision. The grant for sanitation will be raised with reference to the increased funds which will become available under General Funds from the sources above indicated.

5. The Government agree with the Board of Revenue in their remarks in paragraph 8 of their Proceedings, regarding the cost of the local office.

6. With these remarks the Right Honorable the Governor in Council passes the Budget Estimates of the Kurnool Local Fund Circle for 1882-83.

RESOLUTION—dated 12th June 1882, No. 1515.

The Local Fund Budget Estimate of the Kurnool Circle for 1882-83 is herewith circulated to all officers concerned.

2. PARAGRAPH 2 OF THE GOVERNMENT ORDER.—From paragraph 5 of the President's letter printed in Board's Proceedings, dated 15th July 1881, No. 1398, it is observed that the sum of Rs. 25,000 referred to in the Government Order quoted by Government includes the Rs. 21,273 stated to be irrecoverable in the regular estimate for 1881-82.

3. PARAGRAPH 3 OF THE GOVERNMENT ORDER.—As directed by Government, land cess has been raised to Rs. 1,20,000 and the Pound Fund credited to the General Fund.

4. PARAGRAPH 4 OF THE GOVERNMENT ORDER.—The Director's remarks on the educational portion of the budget were submitted to Government with Board's Proceedings, dated 27th March 1882, No. 905. The President is requested to submit through the Sanitary Commissioner further proposals for expending on sanitation funds which have now become available.
