2. The actuals for 1880-81 do not appear to be correctly shown. The closing balances according to that column differ from the opening balances of the regular estimate for 1881-82, in which the Accountant-General's figures have been adopted. Care should be taken in future to secure correct accounts of the actuals for the previous year before the estimates for the year following are submitted.

3. The regular estimate shows on the expenditure side a large increase as compared with the budget estimate owing to the refund ordered by the Board of Revenue of upwards of Rs. 45,000 to the Nuzvid estate. This amount consists of double collections of Land Cess in Faslis 1286, 1287, and 1288. The circumstances under which so erroneous a collection was made should have been reported to Government. The whole amount of the refund was debited to the Road Fund, with reference to paragraph 21 of the Local Fund Rules. The Board's remarks on the other items of the regular estimate are approved. On the Normal School charges and the increase to the Circle Board's Establishment, G.Os., 14th and 6th February 1882, Nos. 234 and 205, respectively, were passed. The question regarding the purchase of a steam-roller will be separately disposed of, meanwhile the provision made for this purpose will stand.

4. *Budget Estimate, 1882-83.*—The explanation of the decrease in the current Land and Cess estimate is passed pending and noticed by the Board of Revenue. The proposed transfer of Rs. 20,000 from the General to the Road Fund is approved under the circumstances stated. It is noted that the Road Fund, notwithstanding the debit to it of the large refund of cess made to the Nuzvid estate in 1881-82 is expected to close that year with a balance of nearly Rs. 20,000 and that the fact that it is inadequate to meet the charges against it in the current year is chiefly due to the heavy allotments for Public Works. Of the provision is made in the budget, all but two new roads and communications, for which there appears no sufficient justification for the inclusion of these two new works, when the Road Fund cannot meet the necessary and ordinary charges devolving upon it without borrowing. They should accordingly be struck out and the unallotted closing balance of the Road Fund, Rs. 2,440, be raised to Rs. 7,440. No contribution is provided towards the upkeep of the roads in the Masulipatam Municipality as in last year, and it is observed that the Municipality accordingly have not taken credit for the amount in their budget for 1882-83.

5. The educational provisions are fully discussed by the Director whose remarks on the necessity for an additional Deputy Inspector deserve attention. If the Local Fund Board approve this proposal the budget should be amended. The provision for the Normal School should be raised as advised by the Director. The submission to Government of the enclosures to the Director's letter was unnecessary.

6. The other items do not call for remarks.

7. The budget is passed subject to the above remarks.

RESOLUTION—dated 16th June 1882, No. 1555.

The Local Fund Budget of the Masulipatam Circle for 1882-83 is herewith circulated to all officers concerned.

2. *Paragraph 2 of the G.O.*—The Board have requested the Accountant-General to furnish Presidents of Local Fund Boards with the audited actuals by the 1st August. The difference noticed by Government will not therefore, they believe, occur in future.

3. *Paragraph 4 of the G.O.*—As directed by Government the provision, viz., Rs. 5,000, for the two unsanctioned works noted below is struck out and the amount added to the Road Fund balance :—

	RS.
1. Improving the metalled road from Tidal Lock to Gilakala-dindi village	4,000
2. Improvement to the road from Guntur to Iyalur	1,000
Total ..	5,000

4. *Paragraph 5 of the G.O.*—The provision for Normal Schools is raised from Rs. 2,600 to Rs. 2,900. The attention of the President is called to paragraph 2 of the Board's Proceedings, dated 3rd March 1882, No. 640, and he is requested to report the views of the Circle Board as soon as possible.

5. With reference to Board's Proceedings, dated 8th March 1882, Miscellaneous No. 1237, the provision for batta to non-official members has been increased from Rs. 100 to Rs. 600.
