This matter is of
very great urgency,
R.F. the L.C. being
desirous of having
the wagons ready
for use on his next
tour of inspection in
October. I have time
therefore I have sent
the papers on to
Madras at once
so that there may
be no delay in
having the plans
lithographed and
issued.

I have put in
a letter asking for
the plans required
by the S.G., but it
is possible that the
Railway authorities
may be able to assist
the S.G. in this matter.

There is a letter now
in the press saying that
Paul Roberts is anxious
to witness practice with
dummy wagons in Oct
next. This is going to
S.G. for very early attention,
but if they have got
to wait for the plans
now asked for, I am
afraid the wagons will
never be ready in
time!

This is a matter

which evidently requires
very early attention.

If Supp. Engs. are
to wait for copies of
the Lucknow & Umballa
plans, it is not likely
that the wagons will
be ready in time.
